**Application to issue mineral exploration tax credits**

**3(1)** An eligible mineral exploration corporation that wishes to issue mineral exploration tax credits pursuant to section 10.1 of the Act shall submit to the minister:

- (a) the name and address of the corporation;
  - (b) the business number of the corporation;
  - (c) the name of the principal contact in the corporation for mineral exploration tax credits;
  - (d) the flow-through share offering number and the total amount of the eligible flow-through mining expenditures;
  - (e) the location of the mineral resource with respect to which flow-through mining expenditures will be incurred, including disposition numbers, if applicable; and
  - (f) any other information the minister considers appropriate.
- (2) The minister may approve the application in writing if, in the minister’s opinion, the eligible mineral exploration corporation meets the requirements to be eligible to issue mineral exploration tax credits.
- (3) If the minister approves an application, the minister shall specify the maximum amount of the mineral exploration tax credits that the eligible mineral exploration corporation may issue pursuant to section 10.1 of the Act.
- (4) An eligible mineral exploration corporation that has received approval pursuant to this section to issue mineral exploration tax credits may issue the mineral exploration tax credits to a partnership that includes members who are individuals, other than trusts, if the issuance would result in those individuals receiving a mineral exploration tax credit.

23 May 2014 cM-16.1 Reg 4 s3.

**Mineral exploration tax credit statement**

**4(1)** If an eligible mineral exploration corporation issues a mineral exploration tax credit pursuant to section 10.1 of the Act to an individual, the eligible mineral exploration corporation shall issue to that individual a statement for the purposes of section 10.2 of the Act that meets the requirements of this section.

- (2) If an eligible mineral exploration corporation issues a mineral exploration tax credit pursuant to section 10.1 of the Act to a partnership in the circumstances mentioned in subsection 3(4) of these regulations, the eligible mineral exploration corporation shall issue to the partnership a statement for the purposes of section 10.2 of the Act that meets the requirements of this section.
- (3) A statement mentioned in subsection (1) or (2) must be numbered and identified in a manner approved by the minister and must contain the following information:
- (a) the name of the eligible mineral exploration corporation;
  - (b) the flow-through share offering number;
  - (c) the name of the investor;
