 - (c) is dangerous to the public safety or health; or

- (3) If a building has been declared to be a nuisance and after the council has provided notice and an opportunity to be heard to the owner and to all persons who appear by the records of the Land Titles Registry and by the last revised assessment roll of the municipality at the time the notice is prepared to have an interest in the land, the council may order the owner:
- (a) to demolish or remove the building and to take any other measures with respect to the demolition or removal that may be described in the order; or
 - (b) to remedy the condition of the building in the manner and to the extent described in the order.
- (4) The council shall serve on the owner and all persons who appear by the records of the Land Titles Registry and by the last revised assessment roll of the municipality at the time the order was made to have an interest in the land:

(b) that the procedure prescribed by this section has not been followed.

(9) If an owner does not comply with an order within the time specified in the order, the council may proceed to have any work done that it considers necessary for the purpose of carrying out the order, and the cost of the work is to be added to, and forms part of, the taxes on the land on which the building is or was situated.
