- (a) pay the losses on a prorated basis; and
 - (b) for that purpose, fix the percentage of the prorated payment and file with the Superintendent a statement showing how the prorated percentage has been determined.

3-37 Subject to sections 3-53, 3-124 and 8-94, the board of directors may, out of the earnings of the provincial mutual company, distribute equitably to the members of the provincial mutual company the sums that in the opinion of the board are proper and justifiable.

*Subdivision 4****Cancellation and Transfer of Contracts*****Liability on cancellation or avoidance of policy**

3-40(1) If a policy is cancelled or avoided by a provincial mutual company, the liability of the insured on his or her premium note ceases from the date of the cancellation or avoidance on account of any loss that occurs to the company after that date, but the insured continues to be liable to pay his or her proportion of the losses and expenses of the company to the time of cancelling or avoiding the policy.

(2) On payment of the insured's proportion of all assessments then payable and to become payable with respect to losses and expenses sustained up to the date of cancellation or avoidance mentioned in subsection (1), the insured is entitled to a return of his or her premium note and to the portion of the premium paid by him or her that has not been absorbed by the losses and expenses of the provincial mutual company up to that time.

(3) A condition respecting the entitlement mentioned in subsection (2) must be endorsed on the policy.

Assignment of policy

3-41(1) Subject to subsection (2), if the insured property or any interest in it is assigned or partly assigned by the insured and the assignee has the policy transferred to him or her, the provincial mutual company that issued the policy may accept the assignment.

(2) The provincial mutual company may accept the assignment mentioned in subsection (1) if within 30 days after the assignment:

- (a) the assignee makes an application in a form acceptable to the company; and
- (b) the assignee gives a new premium note or other proper security to the company's satisfaction for the portion of the premium note that remains unpaid.

(3) On accepting an assignment of the policy pursuant to subsection (1), the assignee is entitled to all the rights and privileges, and is subject to all the liabilities and conditions, to which the original party insured was entitled and subject.

(4) If the assignee is a mortgagee, the provincial mutual company that issued the policy may permit the policy to remain in force and to be transferred to the mortgagee by way of additional security, without requiring any premium note from the assignee or without the assignee becoming in any manner personally liable for premiums or otherwise.

(5) Notwithstanding subsection (4), the premium note and liability of the mortgagor with respect to the premium for the policy assigned to the mortgagor continues and is not affected by the assignment.

Subdivision 5

Premium Notes and Assessments

Interpretation of Subdivision

3-42 In this Subdivision and in Subdivision 6:

"assessment" means an assessment on premium notes made pursuant to section 3-45;

"notice" means a notice respecting an assessment given pursuant to section 3-46.

Company may accept premium notes

3-43(1) A provincial mutual company may accept premium notes for insurance and may issue policies.

(2) The premium notes mentioned in subsection (1) are to be assessed for the losses and expenses of the provincial mutual company in the manner set out in this Subdivision.

(3) A premium note does not create an interest against the title to the land on which the insured property is situated.

Part of premium may be in cash

3-44(1) With respect to the premium payable for a policy, a provincial mutual company may:

- (a) demand and collect a portion of the premium in cash; and
- (b) take a premium note for the remainder of the premium.

(2) If the amount collected pursuant to subsection (1) is more than sufficient to pay all losses and expenses during the continuance of the policy, any surplus becomes part of the earnings of the provincial mutual company.

Power to make assessments on premium notes

3-45(1) A provincial mutual company may make assessments on premium notes before losses have happened or expenses have been incurred.

(2) Any surplus from an assessment pursuant to subsection (1) becomes part of the earnings of the provincial mutual company.

Assessments

3-46(1) If a provincial mutual company makes an assessment pursuant to section 3-45, the assessment must be made on all premium notes and, subject to section 3-47, the assessments must be made at those intervals and for those amounts that the provincial mutual company determines to be necessary to meet losses, expenses and reserve of the provincial mutual company during the currency of the policies for which the notes were given.

(2) Every insured shall pay the assessments from time to time payable by the insured pursuant to this section to the provincial mutual company during the currency of the insured's policy.

(3) The provincial mutual company shall provide notice of an assessment pursuant to this section to:

- (a) each insured, directed to the insured's address as given in the insured's application, or otherwise given in writing to the provincial mutual company; and
- (b) each encumbrancer of the property insured known to the provincial mutual company.

(4) Every assessment pursuant to this section must be paid within 30 days after the date of payment specified in the notice mentioned in subsection (3).

(5) A notice of assessment is deemed sufficient if it states:

- (a) the number of the policy;
- (b) the period over which the assessment extends;
- (c) the amount of the assessment; and
- (d) the time within which and the place where the assessment is payable.

Assessments in the case of crop hail insurance

3-47 In the case of insurance against loss of or damage to crops by hail:

- (a) the provincial mutual company shall make the assessment in each year after the expiry of the crop season;
- (b) in making the assessment, the provincial mutual company may:
 - (i) make any addition to the premium, not to exceed 20% of the amount estimated to be necessary to pay the losses and expenses, that will enable it to allow a discount for prompt payment;

- (ii) compute the assessment on any basis that, in its opinion, will result in sufficient payment to meet the requirements of the provincial mutual company after allowing the discount; and
 - (iii) pass a bylaw allowing a discount pursuant to subclause (i);
- (c) the aggregate amount of the assessment must be:
 - (i) an amount that the provincial mutual company estimates to be necessary to pay all losses incurred during the crop season and all expenses of the provincial mutual company for the whole of the year; and
 - (ii) an amount that the provincial mutual company decides to add to the provincial mutual company's surplus; and
- (d) all premium notes applicable to the crop season of the year for which the assessment is made are liable for the proportionate part of the aggregate assessment irrespective of the fact that the policy issued in consideration of any premium note is in force only during a portion of the crop season.

Policy void if assessment not paid

3-48(1) If the assessment with respect to a policy is not paid within 30 days after the date of payment specified in the notice, the policy is deemed to be void with respect to any claim for losses occurring during the time of the non-payment, but the policy is revived when the assessment is paid unless the provincial mutual company gives notice to the contrary to the person assessed.

(2) Nothing in this section relieves the insured from the insured's liability to pay the assessment or any subsequent assessments.

(3) An insured is not entitled to recover the amount of any loss or damage that happens to property insured under the policy mentioned in subsection (1) while the assessment remains due and unpaid.

Assessments to be proportionate

3-49(1) Subject to subsection (2), the assessment must always be in proportion to the amount of the premium notes held by the provincial mutual company making the assessment having regard to the branch or department to which the policies subject to the assessment relate.

(2) If a provincial mutual company alters its premium rate and still holds, with respect to contracts of insurance, premium notes at the prior rate, the provincial mutual company may make and levy different assessments between the respective premium notes that will, in risks of the same amount and of the same class of perils, equalize the cost of insurance to the makers of the respective premium notes.

Action for recovery

3-50(1) If an insured who has given a premium note neglects or refuses to pay the assessment within 30 days after the date of payment specified in the notice, the provincial mutual company may commence an action to recover the assessment.

(2) An action commenced pursuant to subsection (1) is not a waiver of any forfeiture incurred by the non-payment mentioned in that subsection.

Evidence of amount due to company

3-51 In an action commenced pursuant to section 3-50 to recover an assessment, the certificate of the secretary of the provincial mutual company specifying the assessment and the amount due on the premium note with respect to the assessment is admissible in evidence as proof, in the absence of evidence to the contrary, of those facts.

Return of premium note after expiration of insurance

3-52 Within 40 days after the cancellation or expiration of a policy and on the application of the insured, the provincial mutual company shall return the premium note given for the policy to the person who signed it if all assessments levied and all losses and expenses with which the premium note is chargeable have been paid.

Surplus to be property of provincial mutual company

3-53(1) Unless the surplus of a provincial mutual company transacting property insurance exceeds \$100,000 or any greater amount that the Superintendent may determine having regard to the liabilities of the company, the company shall in each year set aside as surplus its net profit for that year.

(2) The surplus of a provincial mutual company is the property of the provincial mutual company as a whole, and no member of the provincial mutual company has a right to claim any share or interest in the surplus with respect to any payment contributed by the member towards the surplus, except in the event that the provincial mutual company is wound up.

Limits on provincial mutual company licensed to transact crop hail insurance

3-54 A provincial mutual company licensed to transact crop hail insurance must not be licensed to transact any other class of insurance.

Setting off debts against hail losses

3-55(1) Subject to subsection (2), if a member of a provincial mutual company is indebted to the provincial mutual company with respect to a contract of crop hail insurance and a loss occurs under the contract, no credit out of any moneys payable by reason of the loss may be applied on the indebtedness until the provincial mutual company ascertains what percentage of its total losses the company will be able to pay.

(2) A credit pursuant to subsection (1) is not to exceed that percentage of the moneys payable by reason of the loss.

(3) Subject to subsection (4), no provincial mutual company shall deduct the amount of any indebtedness of a member from the amount of the loss sustained under a contract of crop hail insurance until the provincial mutual company ascertains the percentage of its total losses the company will be able to pay.

(4) Any deduction pursuant to subsection (3) is to be made from the amount of the percentage of the loss.

Rights of members in case of winding up

3-56 If a provincial mutual company is being wound up and the number of members of the provincial mutual company does not equal at least 25% of the persons who were members in the preceding year, the members in both the current and the preceding year are, from the date on which the winding-up is commenced, deemed to be the members of the provincial mutual company.

Application and policy to set out certain information

3-57 Every application for a contract of crop hail insurance and every policy must bear the words “mutual insurance company – subject to prorated distribution of assets and losses” printed or stamped in conspicuous bold type at the head of the contract.

3-59 On the day on which the conversion mentioned in section 3-58 becomes effective, the policyholders of the provincial mutual company cease to have any rights with respect to the company as a provincial mutual company or any interest in the company as a provincial mutual company.

7-17(1) If a contract of insurance is given as security to a lender, or if the contract of insurance given as security is about to expire, a term in the agreement between the lender and the borrower requiring the borrower to insure is sufficiently satisfied, except as to amount, by the borrower's production of a valid policy issued by a licensed insurer, whether or not a specific insurer is named in the agreement.

(2) Subject to sections 3-41, 8-129 and 8-187, no person shall, directly or indirectly, require, as a condition precedent to any financing agreement or as a condition prerequisite for the renewal or extension of any financing agreement, that the borrower must negotiate, take out or pay the premium for a policy with a specified insurer or with any one or more of a designated group of licensed insurers.

(3) The lender is to be named in the policy produced pursuant to subsection (1) as payee by assignment, endorsement or otherwise, and the lender may require the insurer to attach an endorsement to the policy evidencing that:

- (a) no act or default of the insured before or after the production of the policy in contravention of the law or of the terms of the policy prejudices the right of the lender to recover its interest under the policy or is available to the insurer as a defence to any action by the lender; and

- (b) if the insurer pays to the lender any sum for loss under the policy and claims that as to the insured no liability exists, the insurer:
 - (i) is subrogated to all rights of the lender under the financing agreement for the balance of money owing to the extent of that payment; or
 - (ii) may, at its option, pay to the lender the whole amount owing to the lender under the financing agreement and receive a full assignment and transfer of the financing agreement and any security held as collateral to that agreement.

 - (a) has not placed the insurance that was agreed to be given as security in the financing agreement and has not provided the policy to the lender within the time agreed between the lender and the borrower; or
 - (b) in the case of a policy, has not renewed the policy or has not substituted another policy and provided it to the lender at least 10 days before the expiry date of the policy in accordance with this section.

PART VIII
Contracts of Insurance

DIVISION 1
General

Payment of insurance money

8-1(1) Insurance money is payable in Saskatchewan in lawful money of Canada.

(2) If a person entitled to receive money payable under a contract of insurance, except insurance of the person, is domiciled or resides in a foreign jurisdiction and payment valid according to the law of the foreign jurisdiction is made to the person, the payment is valid and effectual for all purposes.

Form of policy, application, etc.

8-2(1) On the request of the Superintendent, every insurer shall provide the Superintendent with a copy of:

- (a) any policy, form of application, or any endorsement or rider used or to be used with regard to any policy as issued or to be issued by the insurer in Saskatchewan; or
- (b) any advertising material issued or used by the insurer.

(2) Subject to section 10-11, the Superintendent may prohibit a licensed insurer from issuing any form of policy or endorsement or using an application if, in the opinion of the Superintendent, the form of policy, application or endorsement is unfair, fraudulent or not in the public interest.

(3) No insurer to which an order is issued pursuant to subsection (2) shall issue the policy or endorsement or use the application.

Effect of contravention of law on claim for indemnity

8-3(1) Unless the contract of insurance provides otherwise, a contravention of any criminal or other law in force in Saskatchewan or elsewhere does not, by that fact alone, render unenforceable a claim for indemnity under a contract of insurance except if the contravention is committed by the insured, or by another person with the consent of the insured, with intent to bring about loss or damage.

(2) In the case of a contract of life insurance, this section applies only to insurance undertaken as part of the contract whereby the insurer undertakes to pay insurance money or to provide other benefits in the event that the person whose life is insured becomes disabled as a result of bodily injury or disease.

Electronic communications

8-4 Subject to the regulations, if pursuant to this Part or the regulations made pursuant to this Part a record is required or permitted to be provided to a person personally, by mail or by any other means, unless regulations mentioned in section 8-34 or pursuant to clause 7-27(1)(o) provide otherwise, the record may be provided to the person in electronic form.

Limitation of actions

8-5 An action or proceeding against an insurer must be commenced within the period as established in *The Limitations Act*.

DIVISION 2
Contract Provisions

Application of Division

8-6 Subject to sections 8-99 and 8-156 and except as otherwise provided in this Act, this Division applies to every contract of insurance made in Saskatchewan other than:

- (a) a contract of life insurance;
- (b) a contract of accident and sickness insurance; or
- (c) a contract of reinsurance.

Contract of insurance made in Saskatchewan

8-7(1) For the purposes of this Act, a contract of insurance is deemed to have been made in Saskatchewan if:

- (a) it insures a person who is domiciled or resident in Saskatchewan when the contract is made; or
- (b) the subject-matter of the contract is property that is or will be located in Saskatchewan.

(2) This section has effect notwithstanding any agreement, condition or stipulation to the contrary.

Terms, etc., of contract of insurance

8-8(1) All the terms and conditions of a contract of insurance must be set out in full in the policy or in writing securely attached to the policy when it is issued, and unless so set out no term of the contract or condition, stipulation, warranty or proviso modifying or impairing its effect is valid or admissible in evidence to the prejudice of the insured or a person to whom insurance money is payable under the contract of insurance.

(2) Subsection (1) does not apply to an alteration of the contract of insurance agreed on in writing by the insurer and the insured after the policy is issued.

(3) Every policy must contain the following:

- (a) the name of the insurer;
- (b) the name of the insured;
- (c) the name of the person to whom the insurance money is payable;
- (d) the amount or the method of determining the amount of the premium for the insurance;
- (e) the subject-matter of the insurance;
- (f) the indemnity for which the insurer may become liable;
- (g) the event on the happening of which the liability is to arise;
- (h) the date the insurance takes effect;
- (i) the date the insurance terminates or the method by which that date is established.

(4) Subsection (3) does not apply to contracts of surety insurance or crop hail insurance.

(5) If a contract of insurance, whether it does or does not provide for its renewal, is renewed by a renewal receipt, it is a sufficient compliance with subsection (1) if the terms and conditions of the contract were set out as required by that subsection and the renewal receipt identifies the contract by its number or date.

(6) The application for insurance shall not, as against the insured, be deemed to be a part of or be considered with a contract of insurance except insofar as the court determines that it contains a material misrepresentation by which the insurer was induced to enter into the contract.

(7) For the purposes of subsection (6), the burden of proving a material misrepresentation is on the insurer.

(8) No contract of insurance shall contain or have endorsed on it, or be made subject to, any term, condition, stipulation, warranty or proviso providing that the contract is avoided by reason of any statement in the application for the insurance inducing the insurer to enter into the contract, unless the term, condition, stipulation, warranty or proviso is limited to cases in which the statement is material to the contract, and no contract of insurance shall be avoided by reason of the inaccuracy of any such statement unless it is material to the contract.

(9) The question of materiality in any contract of insurance is a question of fact, and no admission, term, condition, stipulation, warranty or proviso to the contrary contained in the application for insurance or in the policy or in any agreement or document relating to the contract has any force or validity.

(10) Nothing in this section impairs the effect of any Statutory Condition required by this Act to be part of any contract of insurance or of any provision of this Act.

Contents of contract of insurance

8-9(1) Subject to subsection (2), before a policy is issued with respect to a contract of insurance, the contract is deemed to include:

- (a) the usual terms and conditions contained in the insurer's standard policy for the type of insurance concerned; and
- (b) any other terms and conditions of which the insured is given notice in writing as to their existence and contents.

(2) Unless the insured has been given notice in writing of the existence and contents of a term or condition, the term or condition does not apply to a contract of insurance described in subsection (1) if the insured is not reasonably able to comply with it in the absence of the notice.

Policy in accordance with terms of application

8-10(1) A policy issued to an insured on an application is deemed to be in accordance with the terms of the application unless the insurer immediately gives notice to the insured in writing of the particulars in which the policy and the application differ, in which case the insured may, within 14 days after receiving the notice, reject the policy.

(2) If the insured rejects the policy pursuant to subsection (1), the insurer shall refund as soon as is practicable the excess of premium actually paid by the insured over the prorated premium for the expired time, but in no event may the prorated premium for the expired time be less than any minimum retained premium specified in the policy.

(3) Notwithstanding subsection (2), if the insured failed to disclose material information on the application the knowledge of which would have resulted in the insurer charging a higher premium than what was charged, the amount that the insurer is required to refund pursuant to subsection (2) is the excess of premium actually paid by the insured over the short rate premium for the expired time calculated as if the higher premium had been charged.

(4) If the insured does not reject the policy pursuant to subsection (1), the insured is deemed to have accepted the policy.

Dispute resolution

8-11(1) In this section, “**representative**” means a dispute resolution representative appointed pursuant to subsection (5).

(2) This section applies to disputes between an insurer and an insured about a matter that under Statutory Condition 11 set out in section 8-28, Statutory Condition 4(9) or (10) set out in section 8-41 or another condition of the contract of insurance must be determined using this dispute resolution process.

(3) This section does not apply to a contract of crop hail insurance.

(4) Either the insured or the insurer may demand in writing the other’s participation in a dispute resolution process after proof of loss has been delivered to the insurer.

(5) Within seven days after receiving or giving a demand pursuant to subsection (4), the insured and the insurer shall each appoint a dispute resolution representative, and within 15 days after their appointment, the two representatives shall appoint an umpire.

(6) No person shall be appointed as a representative if the person is:

- (a) the insured or the insurer; or
- (b) an employee of the insured or the insurer.

(7) The representatives shall determine the matters in dispute by agreement and, if they fail to agree, submit their differences to the umpire.

(8) The written determination of a majority of the dispute resolution panel composed of the representatives and the umpire determines the matters.

(9) Notwithstanding subsection (8), if a majority finding of the dispute resolution panel cannot be established, the umpire shall have the sole discretion to determine the matter.

(10) Each party to the dispute resolution process shall pay the representative whom the party appointed, and each party shall bear equally the expense of the dispute resolution process and the umpire.

(11) On the application of the insured or of the insurer, a judge of the court sitting at the judicial centre nearest to the place where the matter that is the subject of the dispute resolution is located may appoint a representative or umpire if:

- (a) a party fails to appoint a representative within seven days after being served with written notice to do so;
- (b) the representatives fail to agree on an umpire within 15 days after their appointment; or
- (c) a representative or umpire refuses to act or is incapable of acting or dies.

(12) An umpire is bound by the rules of procedural fairness in carrying out the umpire's functions pursuant to this section.

Relief from forfeiture

8-12 The court may relieve against a forfeiture or avoidance of insurance on any terms it considers just if the court considers it inequitable that there has been a forfeiture or avoidance of insurance, in whole or in part, on the ground that there has been imperfect compliance with a Statutory Condition, or a condition or term of a contract of insurance, as to:

- (a) the proof of loss to be given by the insured or the claimant; or
- (b) another matter or thing done or omitted to be done by the insured or the claimant with respect to the loss.

Relief from forfeiture on surety bond

8-13 Failure to provide notice of a claim within the time required by a surety bond constitutes, in the absence of evidence to the contrary, non-compliance and not imperfect compliance for the purposes of relief against forfeiture or avoidance of insurance as described in section 8-12.

Waiver and estoppel

8-14(1) The obligation of an insured to comply with a requirement under a contract of insurance is excused to the extent that:

- (a) the insurer has given notice in writing that the insured's compliance with the requirement is excused in whole or in part, subject to the terms specified in the notice, if any; or
- (b) the insurer's conduct reasonably causes the insured to believe that the insured's compliance with the requirement is excused in whole or in part, and the insured acts on that belief to the insured's detriment.

(2) Neither the insurer nor the insured is deemed to have waived any term or condition of a contract of insurance by reason only of:

- (a) the insurer's or insured's participation in a dispute resolution process pursuant to section 8-11;
- (b) the delivery and completion of a proof of loss; or
- (c) the investigation or adjustment of any claim under the contract.

Effect of delivery of policy

8-15(1) If a policy has been delivered, the contract of insurance is as binding on the insurer as if the premium had been paid, although:

- (a) the premium has not in fact been paid; and
 - (b) the policy was delivered by an officer or agent of the insurer who had no authority to deliver it.
- (2) If a premium has not been paid, the insurer may do one or both of the following:
- (a) sue for any unpaid premium;
 - (b) if there is a claim under the contract of insurance, deduct the amount of the unpaid premium from the amount for which the insurer is liable under the contract.
- (3) The insurer may terminate the contract of insurance in accordance with any Statutory Condition or policy condition or, if there is no relevant Statutory Condition or policy condition, by giving notice by registered mail or by any other prescribed means if:
- (a) a cheque, bill of exchange, promissory note or other written promise to pay is given for the whole or part of any premium, whether for an original contract or for a renewal of a contract; and
 - (b) the cheque, bill of exchange, promissory note or other written promise to pay mentioned in clause (a) is not honoured.

Insurer to provide forms

8-16(1) An insurer, immediately on receipt of a request, and in any event not later than 60 days after receipt of notice of loss, shall provide to the insured or the person to whom the insurance money is payable forms on which to make the proof of loss required under the contract of insurance.

(2) If an insurer neglects or refuses to comply with subsection (1), section 8-17 is not available to the insurer as a defence to an action brought after the neglect or refusal for the recovery of money payable under the contract of insurance.

(3) If the insurer has, within 30 days after notification of loss, adjusted the loss acceptably to the person to whom the insurance money is payable, the insurer is deemed to have complied with this section.

(4) An insurer by reason only of providing forms to make the proof of loss is not to be taken to have admitted that a valid contract of insurance is in force or that the loss in question falls within the insurance provided by the contract.

When action may be brought

8-17 No action lies for the recovery of money payable under a contract of insurance until the expiration of 60 days, or of any shorter period fixed by the contract, after proof, in accordance with the provisions of the contract:

- (a) of the loss; or
- (b) of the happening of the event on which the insurance money is to become payable.

Consolidation of actions

8-18(1) If several actions are brought for the recovery of money payable under one or more contracts of insurance, the court may consolidate or otherwise deal with them so that there is only one action for and with respect to all the claims made in the actions.

(2) If an action is brought to recover the share of money payable under a contract of insurance to one or more minors:

- (a) all the other minors entitled, or the trustees, executors or guardians entitled to receive payment of the shares of the other minors, must be made parties to the action; and
- (b) the rights of all the minors must be determined in one action.

(3) In all actions where several persons are interested in the money payable under a contract of insurance, the court may:

- (a) apportion any sum directed to be paid among the persons entitled to the insurance money; and
- (b) make any further orders giving directions and relief.

Imperfect compliance not to render contract invalid

8-19 An action or omission of an insurer resulting in imperfect compliance with this Act does not render a contract of insurance invalid insofar as it benefits an insured.

Notice

8-20(1) Subject to any Statutory Condition, if the method of giving notice is not otherwise expressly provided for, any notice given by an insurer for any of the purposes of this Act may, in the case of an insured, be given by mailing it to the postal address that:

- (a) is given in the insured's original application or proposal for insurance; or
- (b) has been otherwise given in writing to the insurer.

(2) Subject to any Statutory Condition, if the method of delivering the notice is not otherwise expressly provided for, any notice to be given to an insurer for any of the purposes of this Act may be given by:

- (a) delivering it to the chief office of the insurer in Saskatchewan;
- (b) sending it by registered mail to the chief office mentioned in clause (a); or
- (c) sending it by registered mail to the authorized agent of the insurer.

Providing of copy to insured

8-21(1) An insurer shall provide to the insured a copy of:

- (a) the insured's application or proposal for insurance; and
- (b) the insured's policy.

(2) An insurer shall provide the first copy of the policy free of charge, but may charge a reasonable fee to cover its expenses in providing any additional copies.

(3) The insured may agree to be provided with an electronic copy of the documents mentioned in subsection (1).

Insurance against loss through negligence

8-22 It is lawful for an insurer to contract to indemnify an insured for financial loss occasioned by reason of liability to a third person, whether or not the loss is caused by the insured through negligence or while contravening any municipal bylaw or any Act.

Enforcement charge against insured unsatisfied

8-23(1) In any case in which a person insured against liability for injury or damage to persons or property of others has failed to satisfy a judgment obtained by a claimant for the injury or damage and an enforcement charge against the insured with respect to the judgment is returned unsatisfied, the judgment creditor has a right of action against the insurer to recover an amount, not exceeding the amount of insurance under the policy or the amount of the judgment, in the same manner and subject to the same equities as the insured would have if the judgment had been satisfied.

(2) The insurer has any defence against the claim of a judgment creditor made pursuant to subsection (1) that the insurer would have had against the insured had the insured satisfied the judgment.

(3) This section does not apply to contracts of motor vehicle liability insurance.

Assignment of premium refund

8-24(1) If an insured assigns the right to a refund of premium that may accrue by reason of the cancellation or termination of a contract of insurance under the terms of the contract and notice of the assignment is given by the assignee to the insurer, the insurer shall pay any refund to the assignee notwithstanding any provision in this Act or condition in the contract, whether established pursuant to this Act or not, requiring the refund to be paid to the insured or to accompany any notice of cancellation or termination to the insured.

(2) If the condition in a contract of insurance dealing with cancellation or termination by the insurer provides that the refund must accompany the notice of cancellation or termination, the insurer shall include in the notice a statement that, instead of payment of the refund in accordance with the condition, the refund is being paid to the assignee pursuant to this section.

Payment into court by insurer

8-25(1) If an insurer cannot obtain sufficient discharge for insurance money for which it admits liability, the insurer may apply to the court without notice for an order for the payment of the insurance money into court.

(2) On an application pursuant to subsection (1), the court may:

(a) order the payment into court to be made on any terms as to costs and otherwise that the court directs; and

(b) provide which fund or name the amount is to be credited to.

(3) The receipt of the local registrar or other proper officer of the court is sufficient discharge to the insurer for the insurance money paid into court, and the insurance money must be dealt with in accordance with an order of the court.

Title insurance

8-26 A contract of title insurance must:

- (a) be in writing; and
- (b) in addition to the other requirements of this Act, expressly state the amount of coverage the contract of insurance provides.

Restrictions on cancellation

8-27(1) If a loss under a contract of insurance has, with the consent of the insurer, been made payable to a person other than the insured, the insurer shall not cancel or alter the contract to the prejudice of that person without notice to that person.

(2) The length of notice and method of giving the notice pursuant to subsection (1) must be the same as the length and method of giving notice of cancellation to the insured pursuant to the Statutory Conditions in the contract of insurance.

Statutory Conditions

8-28(1) Subject to subsections (2) and (3):

- (a) the Statutory Conditions set out in this section are deemed to be part of every contract of insurance in force in Saskatchewan and must be printed on every policy under the heading “Statutory Conditions”; and
 - (b) no variation or omission of or addition to any Statutory Condition is binding on the insured.
- (2) This section does not apply to contracts of automobile insurance, surety insurance, crop hail insurance or any other prescribed class of insurance.
- (3) In this section and in the Statutory Conditions:
- “**contract**” means a contract of insurance;
 - “**policy**” does not include an interim receipt or a binder;
- (4) Statutory Conditions 1 and 6 to 13 apply only to, and need only be printed on, contracts that include insurance against loss or damage to property.

Statutory Conditions**Misrepresentation**

1 If a person applying for insurance falsely describes the property to the prejudice of the insurer, or misrepresents or fraudulently omits to communicate any circumstance that is material to be made known to the insurer in order to enable it to judge the risk to be undertaken, the contract is void as to any property in relation to which the misrepresentation or omission is material.

Property of others

2 The insurer is not liable for loss of or damage to property owned by a person other than the insured unless:

- (a) otherwise specifically stated in the contract; or
- (b) the interest of the insured in that property is stated in the contract.

Change of interest

3 The insurer is liable for loss or damage occurring after an authorized assignment under the *Bankruptcy and Insolvency Act* (Canada) or a change of title by succession, by operation of law or by death.

Material change in risk

4(1) The insured must promptly give notice in writing to the insurer or its agent of a change that is:

- (a) material to the risk; and
- (b) within the control and knowledge of the insured.

(2) If an insurer or its agent is not promptly notified of a change under subsection (1) of this condition, the contract is void as to the part affected by the change.

(3) If an insurer or its agent is notified of a change under subsection (1) of this condition, the insurer may:

- (a) terminate the contract in accordance with Statutory Condition 5; or
- (b) notify the insured in writing that, if the insured desires the contract to continue in force, the insured must, within 15 days after receipt of the notice, pay to the insurer an additional premium specified in the notice.

(4) If the insured fails to pay an additional premium when required to do so under clause (3)(b) of this condition, the contract is terminated at that time and Statutory Condition 5(2)(a) applies in respect of the unearned portion of the premium.

Termination of Insurance

5(1) The contract may be terminated:

- (a) by the insurer giving to the insured 15 days' notice of termination by registered mail or 5 days' written notice of termination personally delivered; or
- (b) by the insured at any time on request.

(2) If the contract is terminated by the insurer:

- (a) the insurer must refund the excess of premium actually paid by the insured over the prorated premium for the expired time, but in no event may the prorated premium for the expired time be less than any minimum retained premium specified in the contract; and
- (b) the refund must accompany the notice unless the premium is subject to adjustment or determination as to amount, in which case the refund must be made as soon as is practicable.

(3) If the contract is terminated by the insured, the insurer must refund as soon as is practicable the excess of premium actually paid by the insured over the short rate premium for the expired time specified in the contract, but in no event may the short rate premium for the expired time be less than any minimum retained premium specified in the contract.

(4) The 15-day period referred to in clause (1)(a) of this condition starts to run on the day following the day on which the registered letter or notification of it is delivered to the insured's postal address.

Requirements after loss

6(1) On the happening of any loss of or damage to insured property, the insured must, if the loss or damage is covered by the contract, in addition to observing the requirements of Statutory Condition 9:

- (a) immediately give notice in writing to the insurer;
- (b) deliver as soon as is practicable to the insurer a proof of loss in respect of the loss or damage to the insured property verified by statutory declaration:
 - (i) giving a complete inventory of that property and showing in detail quantities and costs of that property and particulars of the amount of loss claimed;
 - (ii) stating when and how the loss occurred, and if caused by fire or explosion due to ignition, how the fire or explosion originated, so far as the insured knows or believes;
 - (iii) stating that the loss did not occur through any wilful act or neglect or the procurement, means or connivance of the insured;
 - (iv) stating the amount of other insurances and the names of other insurers;
 - (v) stating the interest of the insured and of all others in that property with particulars of all liens, encumbrances and other charges on that property;
 - (vi) stating any changes in title, use, occupation, location, possession or exposure of the property since the contract was issued; and
 - (vii) stating the place where the insured property was at the time of loss;
- (c) if required by the insurer, give a complete inventory of undamaged property showing in detail quantities and cost of that property; and
- (d) if required by the insurer and if practicable:
 - (i) produce books of account and inventory lists;
 - (ii) provide invoices and other vouchers verified by statutory declaration; and
 - (iii) provide a copy of the written portion of any other relevant contract.

(2) The evidence given, produced or provided under clauses (1)(c) and (d) of this condition must not be considered proofs of loss within the meaning of Statutory Conditions 12 and 13.

Fraud

7 Any fraud or wilfully false statement in a statutory declaration in relation to the particulars required under Statutory Condition 6 invalidates the claim of the person who made the declaration.

Who may give notice and proof

8 Notice of loss under Statutory Condition 6(1)(a) may be given and the proof of loss under Statutory Condition 6(1)(b) may be made:

- (a) by the agent of the insured if:
 - (i) the insured is absent or unable to give the notice or make the proof; and
 - (ii) the absence or inability is satisfactorily accounted for; or
- (b) by a person to whom any part of the insurance money is payable, if the insured refuses to do so, or in the circumstances described in clause (a) of this condition.

Salvage

9(1) In the event of loss of or damage to insured property, the insured must take all reasonable steps to prevent further loss of or damage to that property and to prevent loss of or damage to other property insured under the contract, including, if necessary, removing the property to prevent loss or damage or further loss or damage to the property.

(2) The insurer must contribute on a prorated basis towards any reasonable and proper expenses in connection with steps taken by the insured under subsection (1) of this condition.

Entry, control, abandonment

10 After loss of or damage to insured property, the insurer has:

- (a) an immediate right of access and entry by accredited representatives sufficient to enable them to survey and examine the property, and to make an estimate of the loss or damage; and
- (b) after the insured has secured the property, a further right of access and entry by accredited representatives sufficient to enable them to appraise or estimate the loss or damage but:
 - (i) without the insured's consent, the insurer is not entitled to the control or possession of the insured property; and
 - (ii) without the insurer's consent, there can be no abandonment to it of the insured property.

In case of disagreement

11(1) In the event of disagreement as to the value of the insured property, the value of the property saved, the nature and extent of the repairs or replacements required or, if made, their adequacy, or the amount of the loss or damage, those questions must be determined using the applicable dispute resolution process set out in *The Insurance Act* whether or not the insured's right to recover under the contract is disputed, and independently of all other questions.

- (2) There is no right to a dispute resolution process under this condition until:
- (a) a specific demand is made for it in writing; and
 - (b) the proof of loss has been delivered to the insurer.

When loss payable

12 Unless the contract provides for a shorter period, the loss is payable within 60 days after the proof of loss is completed in accordance with Statutory Condition 6 and delivered to the insurer.

Repair or replacement

13(1) Unless a dispute resolution process has been initiated, the insurer, instead of making payment, may repair, rebuild or replace the insured property lost or damaged, on giving written notice of its intention to do so within 30 days after receiving the proof of loss.

(2) If the insurer gives notice under subsection (1) of this condition, the insurer must begin to repair, rebuild or replace the property within 45 days after receiving the proof of loss and must proceed with all due diligence to complete the work within a reasonable time.

Notice

14(1) Written notice to the insurer may be delivered at, or sent by registered mail to, the chief office or head office of the insurer in the province.

(2) Written notice to the insured may be personally delivered at, or sent by registered mail addressed to, the insured's last known address as provided to the insurer by the insured.

Recovery by innocent persons

8-29(1) If a contract of insurance contains a term or condition excluding coverage for loss or damage to property caused by a criminal or intentional act or omission of an insured or any other person, the exclusion applies only to the claim of a person:

- (a) whose act or omission caused the loss or damage;
 - (b) who abetted or colluded in the act or omission;
 - (c) who:
 - (i) consented to the act or omission; and
 - (ii) knew or ought to have known that the act or omission would cause the loss or damage; or
 - (d) who is a member of a prescribed class.
- (2) Nothing in subsection (1) allows a person whose property is insured under the contract of insurance to recover more than the person's proportionate interest in the lost or damaged property.
- (3) A person whose coverage under a contract of insurance would be excluded but for subsection (1) must comply with the prescribed requirements.

Limitation of liability clause

8-30(1) In this section, "**liability clause**" means any of the following clauses contained in a contract of insurance:

- (a) a deductible clause;

- (b) a co-insurance, average or similar clause;
- (c) a conditional or unconditional clause limiting recovery by the insured to a specific percentage of the value of any property insured at the time of loss.
- (2) If a contract of insurance is evidenced by a policy that contains a liability clause, the contract must contain a prescribed notice in the prescribed form.
- (3) A liability clause is not binding on the insured unless the words mentioned in subsection (2) are printed or stamped in the manner required by that subsection.

Rateable contributions

- 8-31(1)** If, on the happening of loss or damage, there is in force more than one contract of insurance covering the loss or damage, the insurers under the respective contracts are each liable to the insured for their rateable proportion of the loss, unless it is otherwise expressly agreed in writing between the insurers.
- (2) For the purposes of subsection (1), a contract of insurance is deemed to be in force notwithstanding any term or condition of it that the contract does not cover, attach, come into force or become insurance until after full or partial payment of any loss under any other contract.
 - (3) Nothing in subsection (1) affects the validity of:
 - (a) any division of the sum insured into separate items;
 - (b) any limits of insurance on specified property;
 - (c) any liability clause mentioned in section 8-30; or
 - (d) any contract condition limiting or prohibiting having or placing other insurance.
 - (4) Nothing in subsection (1) affects the operation of any deductible clause and:
 - (a) if one contract of insurance contains a deductible clause, the prorated proportions of the insurer under that contract must be first ascertained without regard to the deductible clause and then the clause must be applied only to affect the amount of recovery under that contract; and
 - (b) if more than one contract of insurance contains a deductible clause, the prorated proportions of the insurers under those contracts must be first ascertained without regard to the deductible clauses and then the highest deductible must be prorated among the insurers with deductible clauses, and those prorated amounts affect the amount of recovery under those contracts.
 - (5) Nothing in subsection (4) is to be construed to have the effect of increasing the prorated contributions of an insurer under a contract of insurance that is not subject to a deductible clause.
 - (6) Notwithstanding subsection (1), insurance on identified articles is a first loss insurance as against all other insurance.
 - (7) This section does not apply to a subscription contract of insurance issued by two or more insurers.

Special stipulations

8-32(1) If a contract of insurance contains a stipulation, condition, term, proviso or warranty, other than a prescribed exclusion mentioned in clause (2)(a), that is or may be material to the risk, including, but not restricted to, a provision with respect to the use, condition, location or maintenance of the insured property, the stipulation, condition, term, proviso or warranty is not binding on the insured if it is held to be unjust or unreasonable by the court before which a question relating to it is tried.

(2) No insurer shall provide in a contract of insurance that includes coverage for loss or damage by fire or by another prescribed peril an exclusion relating to:

- (a) the cause of the fire or other prescribed peril other than a prescribed exclusion; or
- (b) the prescribed circumstances of the fire or other prescribed peril.

(3) An exclusion in a contract of insurance contrary to subsection (2) is invalid.

(4) Subsection (2) applies in relation to loss or damage by fire however the fire is caused and in whatever circumstances and whether the coverage is under a part of a contract of insurance specifically covering loss or damage by fire or under another part.

Subrogation of insurer to rights of recovery

8-33(1) An insurer that makes any payment or assumes liability for making any payment under a contract of insurance is subrogated to all rights of recovery of the insured against any person and may bring an action in the name of the insured to enforce those rights.

(2) If the net amount recovered by an action or on settlement is, after deduction of the costs of the recovery, not sufficient to provide complete indemnity for the loss or damage suffered, the amount remaining must be divided between the insurer and the insured in the proportion in which the loss or damage has been borne by them.

(3) If the interest of an insured in any recovery is limited to the amount provided under a clause in the contract to which subsections 8-65(2) and (3) apply, the insurer is entitled to have control of the action.

(4) Either the insured or the insurer may apply to the court to determine any of the matters set out in clause (b) if:

- (a) the interest of an insured in any recovery exceeds that mentioned in subsection (3); and
- (b) the insured and the insurer cannot agree as to:
 - (i) the lawyers to be instructed to bring the action in the name of the insured;
 - (ii) the conduct and carriage of the action or any matters related to the action;
 - (iii) any offer of settlement or the apportionment of an offer of settlement, whether an action has been commenced or not;
 - (iv) the acceptance of any money paid into court or the apportionment of money paid into court;

- (v) the apportionment of costs; or
- (vi) the commencement or prosecution of an appeal.

(5) On an application pursuant to subsection (4), the court may make any order that it considers reasonable having regard to the interests of the insured and the insurer in any recovery in the action or proposed action or in any offer of settlement.

(6) On an application pursuant to subsection (4), only the insurer and the insured are entitled to notice and to be heard on the application, and no material or evidence used or taken on the application is admissible in the trial of an action brought by or against the insured or the insurer.

(7) A settlement or release given before or after an action is brought does not bar the rights of the insured or the insurer as the case may be, unless they have concurred in the settlement or release.

Regulations for Division

8-34 The Lieutenant Governor in Council may make regulations:

- (a) requiring a record or document to be provided in written form;
- (b) prescribing the means of service for the purposes of subsection 8-15(3);

- (d) prescribing classes of persons for the purposes of clause 8-29(1)(d);

DIVISION 3 Automobile Insurance

Subdivision 1 *Interpretation, Forms and Statutory Conditions*

Interpretation of Division

8-35 In this Division:

“**contract**” means a contract of insurance for automobile insurance;

“**insured**” means a person insured by a contract whether named in the contract or not.

Application of Division

8-36(1) This Division applies to contracts providing automobile insurance made or renewed in Saskatchewan on or after January 1, 1969.

- (2) This Division does not apply to contracts insuring only against:
 - (a) loss of or damage to an automobile while in or on described premises;
 - (b) loss of or damage to property carried in or on an automobile; or
 - (c) liability for loss of or damage to property carried in or on an automobile.
- (3) This Division does not apply to a contract providing insurance with respect to an automobile not required to be registered pursuant to *The Traffic Safety Act* unless it is insured pursuant to a contract evidenced by a form of policy approved pursuant to this Division.
- (4) This Division does not apply to a contract insuring solely the interest of a person who has a lien on, or has as security legal title to, an automobile and who does not have possession of the automobile.

Approval of forms

- 8-37(1)** No insurer shall use a form of application, policy, endorsement or renewal or continuation certificate with respect to automobile insurance other than a form approved by the Superintendent.
- (2) An insurer may require additional information in an approved application form, but that additional information does not constitute part of the application for the purposes of section 8-39.
 - (3) If, in the opinion of the Superintendent, any provision of this Division, including any Statutory Condition, is wholly or partly inappropriate to the requirements of a contract or is inapplicable by reason of the requirements of any Act, the Superintendent may approve a form of policy, or part of a form of policy or a form of endorsement, evidencing a contract sufficient or appropriate to insure the risks required or proposed to be insured.
 - (4) The contract evidenced by the policy or endorsement in the form approved pursuant to subsection (3) is effective and binding according to its terms even if those terms are inconsistent with, vary, omit or add to any provision or Statutory Condition of this Division.
 - (5) Except with respect to matters mentioned in section 8-51, the Superintendent may, if the Superintendent considers it to be in the public interest, approve a form of motor vehicle liability policy or endorsement to a motor vehicle liability policy that extends the insurance beyond that required by this Division.
 - (6) In granting an approval pursuant to subsection (5), the Superintendent may require the insurer to charge an additional premium for the extension and to state that fact in the policy or in any endorsement.
 - (7) Subject to section 10-11, the Superintendent may revoke an approval given pursuant to this section, and no insurer shall, after receiving notification of the revocation in writing, use or deliver a form that contravenes the notification.
 - (8) On the request of any insurer that the Superintendent considers interested, the Superintendent shall specify in writing the Superintendent's reasons for granting, refusing or revoking an approval of a form.

(9) An insurer that issues or delivers an owner's policy evidencing a contract in Saskatchewan, or any renewal of an owner's policy, or any evidence of the continuation of the policy, shall issue to the insured a card evidencing the insurance, and the card must be in a form approved by the Superintendent.

(10) Subsection (9) does not apply in the case of an owner's policy if the insurance provided pursuant to the policy is in excess of that provided pursuant to *The Automobile Accident Insurance Act*.

Persons prohibited from being agents

8-38 No person carrying on the business of financing the sale or purchase of automobiles, no automobile dealer, insurance agent or restricted licensee as defined in Division 4 of Part V and no officer or employee of that person, dealer, insurance agent or restricted licensee shall act as the agent of an applicant for the purpose of signing an application for automobile insurance.

Application for insurance

8-39(1) Either of the following must be embodied in, endorsed on or attached to a policy when issued by the insurer:

- (a) a copy of the written application, signed by the insured or the insured's agent; or
- (b) if no signed application is made, a copy of the purported application, or a copy of the part of the application or purported application that is material to the contract.

(2) If no signed written application is received by the insurer before issue of the policy, the insurer shall deliver or mail to the insured named in the policy, or to the insurance agent for delivery or mailing to the insured, a form of application to be completed and signed by the insured and returned to the insurer.

(3) The insurer shall deliver or mail to the insured named in the policy, or to the insurance agent for delivery or mailing to the insured, the policy or a true copy of the policy and every endorsement or other amendment to the contract.

(4) If a written application signed by the insured or the insured's agent is made for a contract, the policy evidencing the contract is deemed to be in accordance with the application unless the insurer provides a written notice to the insured named in the policy pointing out in what respect the policy differs from the application.

(5) If the insurer provides a written notice pursuant to subsection (4), the insured is deemed to have accepted the policy unless, within two weeks from the receipt of the notification, the insured informs the insurer in writing that the insured rejects the policy.

(6) If the insured rejects the policy pursuant to subsection (5), the insurer shall refund as soon as is practicable the excess of premium actually paid by the insured over the prorated premium for the expired time, but in no event may the prorated premium for the expired time be less than any minimum retained premium specified in the contract.

(7) Notwithstanding subsection (6), if the insured failed to disclose material information on the application the knowledge of which would have resulted in the insurer charging a higher premium than what was charged, the amount that the insurer is required to refund pursuant to subsection (6) is the excess of premium actually paid by the insured over the short rate premium for the expired time calculated as if the higher premium had been charged.

(8) Every application form and policy must have printed or stamped on it in conspicuous bold type a copy of subsection 8-40(1).

Misrepresentation, fraud or violation of condition

8-40(1) A claim by the insured is invalid and the right of the insured to recover indemnity is forfeited if:

- (a) the insured, in applying for the contract:
 - (i) gives false particulars of the described automobile to be insured to the prejudice of the insurer; or
 - (ii) knowingly misrepresents or fails to disclose in the application any fact required to be stated in the application;
- (b) the insured contravenes a term of the contract or commits a fraud; or
- (c) the insured wilfully makes a false statement with respect to a claim under the contract.

(2) No statement of the insured in applying for the contract may be used in defence of a claim under the contract unless it is contained in:

- (a) the signed written application for the contract; or
- (b) if no signed written application is made, the purported application, or part of the application, that is embodied in, endorsed on or attached to the policy.

(3) No statement contained in a copy of the purported application, or part of the application, other than a statement describing the risk and the extent of the insurance, may be used in defence of a claim under the contract unless the insurer proves that the insured made the statement attributed to the insured in the purported application or part of the application.

Statutory Conditions

8-41(1) Subject to subsection 8-37(3), section 8-42 and subsection 8-66(2), the Statutory Conditions set out in this section are deemed to be part of every contract and must be printed in every policy under the heading “Statutory Conditions”.

(2) No variation or omission of or addition to any Statutory Condition is binding on the insured.

(3) In this section, “**policy**” does not include an interim receipt or a binder.

Statutory Conditions

In these Statutory Conditions, unless the context otherwise requires, “insured” means a person insured by the contract whether named in the contract or not.

Material change in risk

1(1) The insured named in the contract must promptly notify the insurer or its agent in writing of any change in the risk material to the contract and within the insured’s knowledge.

(2) Without restricting the generality of subsection (1) of this condition, “change in the risk material to the contract” includes:

- (a) any change in the insurable interest of the insured named in the contract in the automobile by sale, assignment or otherwise, except through change of title by succession, death or proceedings under the *Bankruptcy and Insolvency Act* (Canada); and
- (b) in respect of insurance against loss of or damage to the automobile:
 - (i) any mortgage, lien or encumbrance affecting the automobile after the application for the contract; and
 - (ii) any other insurance of the same interest, whether valid or not, covering loss or damage insured by the contract or any portion of the contract.

Prohibited use by insured

2(1) The insured must not drive or operate the automobile:

- (a) while under the influence of intoxicating liquor or drugs to such an extent as to be for the time being incapable of the proper control of the automobile;
- (b) unless the insured is for the time being either authorized by law or qualified to drive or operate the automobile;
- (c) while the insured is under the age of 16 years or under any other age prescribed by the law of the province in which the insured resides at the time the contract is made as being the minimum age at which a licence or permit to drive an automobile may be issued to the insured;
- (d) for any illicit or prohibited trade or transportation; or
- (e) in any race or speed test.

(2) The insured must not permit or allow the use of the automobile:

- (a) by any person while the person is under the influence of intoxicating liquor or drugs to such an extent as to be for the time being incapable of the proper control of the automobile;
- (b) by any person unless that person is for the time being either authorized by law or qualified to drive or operate the automobile;

- (c) by any person while that person is under the age of 16 years or under any other age prescribed by the law of the province in which the person resides at the time the contract is made as being the minimum age at which a licence or permit to drive an automobile may be issued to the person;
- (d) for any illicit or prohibited trade or transportation; or
- (e) in any race or speed test.

Requirements where loss or damage to persons or property

3(1) The insured must:

- (a) promptly give to the insurer written notice, with all available information, of any accident involving loss or damage to persons or property and of any claim made on account of the accident;
- (b) verify by statutory declaration, if required by the insurer, that the claim arose out of the use or operation of the automobile and that the person operating or responsible for the operation of the automobile at the time of the accident is a person insured under the contract; and
- (c) forward immediately to the insurer every document received by the insured from or on behalf of the claimant.

(2) The insured must not:

- (a) voluntarily assume any liability or settle any claim except at the insured's own cost; or
- (b) interfere in any negotiations for settlement or in any legal proceeding.

(3) The insured must, whenever requested by the insurer, aid in securing information and evidence and the attendance of any witness, and must cooperate with the insurer, except in a pecuniary way, in the defence of any action or proceeding or in the prosecution of any appeal.

Requirements where loss or damage to automobile

4(1) When loss of or damage to the automobile occurs, the insured must, if the loss or damage is covered by the contract:

- (a) promptly give notice of the loss or damage in writing to the insurer with the fullest information obtainable at the time;
- (b) at the expense of the insurer, and as far as reasonably possible, protect the automobile from further loss or damage; and
- (c) deliver to the insurer within 90 days after the date of the loss or damage a statutory declaration stating, to the best of the insured's knowledge and belief, the place, time, cause and amount of the loss or damage, the interest of the insured and of all others in the automobile, the encumbrances on the automobile, all other insurance, whether valid or not, covering the automobile and that the loss or damage did not occur through any wilful act or neglect, procurement, means or connivance of the insured.

- (2) Any further loss or damage accruing to the automobile directly or indirectly from a failure to protect it as required under subsection (1) of this condition is not recoverable under the contract.
- (3) No repairs, other than those that are immediately necessary for the protection of the automobile from further loss or damage, may be undertaken and no physical evidence of the loss or damage may be removed:
- (a) without the written consent of the insurer; or
 - (b) until the insurer has had a reasonable opportunity to make the inspection for which provision is made in Statutory Condition 5.
- (4) The insured must submit to examination under oath and must produce for examination at any reasonable place and time designated by the insurer or its representative all documents in the insured's possession or control that relate to the matters in question, and the insured must permit extracts and copies of the documents to be made.
- (5) The insurer is not liable for more than the actual cash value of the automobile at the time any loss or damage occurs, and the loss or damage must be ascertained or estimated according to that actual cash value with proper deductions for depreciation, however caused, and must not exceed the amount that it would cost to repair or replace the automobile, or any part of the automobile, with material of similar kind and quality, but if any part of the automobile is obsolete and unavailable, the liability of the insurer in respect of the automobile is limited to the value of that part at the time of loss or damage, not exceeding the maker's latest list price.
- (6) Except where a dispute resolution process has been initiated, the insurer, instead of making payment, may, within a reasonable time, repair, rebuild or replace the property damaged or lost with other of similar kind and quality if, within 7 days after the receipt of the proof of loss, it gives written notice of its intention to do so.
- (7) There must be no abandonment of the automobile to the insurer without the insurer's consent.
- (8) If the insurer exercises the option to replace the automobile or pays the actual cash value of the automobile, the salvage, if any, vests in the insurer.
- (9) In the event of disagreement as to the nature and extent of the repairs and replacements required, or as to their adequacy, if effected, or as to the amount of the loss or damage, those questions must be determined by a dispute resolution process as provided under *The Insurance Act* before there can be recovery under the contract, whether the right to recover under the contract is disputed or not, and independently of all other questions.
- (10) There is no right to a dispute resolution process until:
- (a) a specific demand for it is made in writing; and
 - (b) the proof of loss has been delivered.

Inspection of automobile

5 The insured must permit the insurer at all reasonable times to inspect the automobile and its equipment.

Time and manner of payment of insurance money

6(1) The insurer must pay the insurance money for which it is liable under the contract within 60 days after the proof of loss has been received by it or, where a dispute resolution process is conducted under Statutory Condition 4(9), within 15 days after the decision is rendered.

(2) The insured may not bring an action to recover the amount of a claim under the contract unless the requirements of Statutory Conditions 3 and 4 are complied with or until the amount of the loss has been ascertained as provided for under Statutory Conditions 3 and 4 or by a judgment against the insured after trial of the issue, or by agreement between the parties with the written consent of the insurer.

Who may give notice and proofs of claim

7 Notice of loss under Statutory Condition 4(1)(a) may be given and the proof of loss under Statutory Condition 4(1)(c) may be made:

- (a) by the agent of the insured if:
 - (i) the insured is absent or unable to give the notice or make the proof; and
 - (ii) the absence or inability is satisfactorily accounted for; or
- (b) by a person to whom any part of the insurance money is payable, if the insured refuses to do so, or in the circumstances described in clause (a) of this condition.

Termination

8(1) The contract may be terminated:

- (a) by the insurer giving to the insured 15 days' notice of termination by registered mail or 5 days' written notice of termination personally delivered; or
 - (b) by the insured at any time on request.
- (2) If the contract is terminated by the insurer:
- (a) the insurer must refund the excess of premium actually paid by the insured over the prorated premium for the expired time, but in no event may the prorated premium for the expired time be less than any minimum retained premium specified; and
 - (b) the refund must accompany the notice unless the premium is subject to adjustment or determination as to the amount, in which case the refund must be made as soon as is practicable.
- (3) If the contract is terminated by the insured, the insurer must refund as soon as is practicable the excess of premium actually paid by the insured over the short rate premium for the expired time, but in no event may the short rate premium for the expired term be less than any minimum retained premium specified.
- (4) The 15-day period referred to in clause (1)(a) of this condition starts to run on the day following the day on which the registered letter or notification of it is delivered to the insured's postal address.

Notice

9(1) Any written notice to the insurer may be delivered at, or sent by registered mail to, the chief office or head office of the insurer in the province.

(2) Written notice may be given to the insured named in the contract by letter personally delivered to the insured or by registered mail addressed to the insured's last known address as provided to the insurer by the insured.

Conditions not part of policy

8-42(1) Except as otherwise provided in the contract, the Statutory Conditions set out in section 8-41 do not apply to insurance described in section 8-67, 8-68 or 8-69.

(2) If a contract does not insure against liability for loss or damage to persons or property, Statutory Condition 3 set out in section 8-41 is not a part of the policy and may be omitted from the printing of the conditions in the policy.

(3) If a contract does not insure against loss of or damage to the automobile, Statutory Condition 4 set out in section 8-41 is not a part of the policy and may be omitted from the printing of the conditions in the policy.

Subdivision 2***Motor Vehicle Liability Policies*****Coverage of owner's policy**

8-43(1) In this section and in section 8-44, "**named insured**" means the insured named in the contract.

(2) Every contract evidenced by an owner's policy insures the named insured and every other person who with the named insured's consent drives an automobile owned by the named insured that falls within the description or definition of automobile in the contract against liability imposed by law on the named insured or those other persons for loss or damage:

- (a) arising from the ownership, use or operation of the automobile; and
- (b) resulting from bodily injury to or the death of any person and loss of or damage to property.

(3) If the contract evidenced by an owner's policy also provides insurance against liability with respect to an automobile not owned by the named insured, an insurer may stipulate in the contract that the insurance is restricted to those persons who are specified in the contract.

If named insured dies

8-44 If the named insured dies, the following persons are deemed to be the insured under the policy:

- (a) the spouse of the deceased named insured if residing in the same dwelling place as the deceased named insured at the time of the deceased named insured's death;

(b) with respect to the described automobile, a newly acquired automobile that was acquired by the deceased named insured before the deceased named insured's death and a temporary substitute automobile, all as defined by the policy:

- (i) any person having proper temporary custody of the automobile until grant of probate or administration to the executor or administrator of the deceased named insured; and
- (ii) the personal representative of the deceased named insured.

Coverage of non-owner's policy

8-45 Every contract evidenced by a non-owner's policy insures the person named in the contract and any other person who is specified in the policy against liability imposed by law on the insured named in the contract or that other person for loss or damage:

- (a) arising from the use or operation of an automobile within the definition of automobile in the policy, other than an automobile owned by or registered in the name of the insured named in the contract or that other person; and
- (b) resulting from bodily injury to or the death of any person and loss of or damage to property.

Effect of lien on automobile

8-46 For the purposes of this Division, a person is not deemed to be the owner of an automobile by reason only that the person has a lien on the automobile or has legal title to the automobile as security.

Territorial limits

8-47 Insurance pursuant to section 8-43, 8-44 or 8-45 applies to the ownership, use or operation of the insured automobile:

- (a) within Canada, the United States of America and any other prescribed jurisdiction; and
- (b) on a vessel travelling between ports of those jurisdictions.

Rights of unnamed insured

8-48(1) Any person insured by but not named in a contract to which section 8-43, 8-44 or 8-45 applies may recover indemnity in the same manner and to the same extent as if named in the contract as the insured.

(2) For the purposes of this section, the person mentioned in subsection (1) is deemed to be a party to the contract and to have given consideration for the contract.

Liability of insurer

8-49 Every contract evidenced by a motor vehicle liability policy must provide that when a person insured by the contract is involved in an accident resulting from the ownership, use or operation of an automobile with respect to which insurance is provided pursuant to the contract and resulting in loss or damage to persons or property, the insurer shall:

- (a) on receipt of notice of loss or damage caused to persons or property, make any investigations, conduct any negotiations with the claimant and effect any settlement of any resulting claims that are considered expedient by the insurer;

- (b) defend in the name of and on behalf of the insured and at the cost of the insurer any action that is brought against the insured at any time on account of loss or damage to persons or property;
- (c) pay all costs assessed against the insured in any action defended by the insurer and any interest accruing after entry of judgment on that part of the judgment that is within the limits of the insurer's liability; and
- (d) if the injury is to a person, reimburse the insured for outlay for any medical aid that is immediately necessary at the time.

Liability arising from contamination

8-50 Liability arising from contamination of property carried in an automobile is deemed not to be liability arising from the ownership, use or operation of that automobile.

Exceptions to liability of insurer

8-51(1) The insurer is not liable under a contract evidenced by a motor vehicle liability policy for any liability:

- (a) imposed by any workers' compensation law on any person insured by the contract; or
 - (b) resulting from bodily injury to or the death of any employee of any person insured by the contract while engaged in the operation or repair of the automobile.
- (2) The insurer may provide under a contract evidenced by a motor vehicle liability policy that it is not liable:
- (a) to indemnify any person engaged in the business of selling, repairing, maintaining, servicing, storing or parking automobiles for any loss or damage sustained while engaged in the use or operation of or while working on the automobile in the course of that business unless the person is the owner of the automobile or is the owner's employee; or
 - (b) for loss of or damage to:
 - (i) property carried in or on the automobile; or
 - (ii) any property owned or rented by or in the care, custody or control of the insured.

Certain exclusions from liability prohibited

8-52 Any provision in a contract evidenced by a motor vehicle liability policy that the insurer is not liable for loss or damage resulting from bodily injury to or the death of any person being carried in or on or entering or getting on or alighting from an automobile, except as provided for in this Act, is void.

Exceptions to liability of insurer – machinery or apparatus

8-53 Subject to the limitations and exclusions of the endorsement, the insurer may provide by endorsement to a contract evidenced by a motor vehicle liability policy that it is not liable for loss or damage resulting from the ownership, use or operation of any machinery or apparatus, including its equipment, mounted on or attached to the automobile while that automobile is at the site of the use or operation of that machinery or apparatus.

Exceptions to liability of insurer – certain uses of automobile

8-54(1) The insurer may provide under a contract evidenced by a motor vehicle liability policy that it is not liable in any one or more of the following cases:

- (a) while the automobile is rented or leased to another person;
 - (b) while the automobile is used to carry explosives or to carry radioactive material for research, education, development or industrial purposes or for purposes incidental to those purposes;
 - (c) while the automobile is used as a taxi-cab, public omnibus, livery, jitney or sightseeing conveyance or for carrying passengers for compensation or hire.
- (2) Clause (1)(a) does not include the use by an employee of the employee's automobile in the business of the employee's employer for which the employee is paid.
- (3) In clause (1)(b), **“radioactive material”** means:
- (a) spent nuclear fuel rods that have been exposed to radiation in a nuclear reactor;
 - (b) radioactive waste material;
 - (c) unused enriched nuclear fuel rods; or
 - (d) any other radioactive material of a quantity and quality that would be harmful to persons or property if its container were destroyed or damaged.
- (4) Clause (1)(c) does not include:
- (a) the use by an insured of the automobile for the carriage of another person in return for the insured's carriage in the automobile of the other person;
 - (b) the occasional and infrequent use by an insured of the automobile for the carriage of another person who shares the cost of the trip;
 - (c) the use by an insured of the automobile for the carriage of a temporary or permanent domestic servant of the insured or the insured's spouse;
 - (d) the occasional and infrequent use by an insured of the automobile for the transportation of children to or from activities conducted as part of an educational program; or
 - (e) the use by an insured of the automobile for the carriage of a client or customer or a prospective client or customer.

Limits of motor vehicle liability policy

8-55(1) Every contract evidenced by a motor vehicle liability policy insures, with respect to any one accident, to a limit of not less than \$200,000, exclusive of interest and costs, against liability resulting from bodily injury to or the death of one or more persons and loss of or damage to property.

(2) A contract mentioned in subsection (1) must be interpreted to mean that when, by reason of any one accident, liability results from bodily injury or death and from loss of or damage to property:

- (a) claims against the insured arising out of bodily injury or death have priority to the extent of \$190,000 over claims arising out of loss of or damage to property; and
- (b) claims against the insured arising out of loss of or damage to property have priority to the extent of \$10,000 over claims arising out of bodily injury or death.

(3) The insurer may, instead of specifying a limit in the policy for an inclusive amount, specify a limit of liability of:

- (a) at least \$200,000, exclusive of interest and costs, against liability resulting from bodily injury to or the death of one or more persons; and
- (b) at least \$200,000, exclusive of interest and costs, against liability for loss of or damage to property.

(4) Nothing in this Subdivision precludes an insurer, with respect to a limit or limits in excess of those specified in subsection (1) or (3), from increasing or reducing the limit or limits specified in the contract with respect to the use or operation of the automobile by a named person, but no reduction is effective for a limit less than that required pursuant to subsection (1) or (3).

(5) The premium for the insurance required pursuant to this section must be shown separately on the motor vehicle liability policy from the premium for any additional or other benefits under the policy.

(6) Notwithstanding subsection (4), no insurer shall refuse a request by an insured or an applicant for a contract to increase the limit to one of the following amounts, exclusive of interest and costs, against liability resulting from bodily injury to or the death of one or more persons and loss of or damage to property:

- (a) \$500,000;
- (b) \$1,000,000;
- (c) \$2,000,000;
- (d) a prescribed amount.

Stipulation in motor vehicle liability policy

8-56(1) Every motor vehicle liability policy issued in Saskatchewan must provide that, in the case of liability arising out of the ownership, use or operation of the automobile in any province or territory or in another prescribed jurisdiction:

- (a) the insurer is liable up to the minimum limits established for that province or territory or prescribed jurisdiction if those limits are higher than the limits established in the policy;

(b) the insurer must not set up any defence to a claim that might not be set up if the policy were a motor vehicle liability policy issued in that province or territory or prescribed jurisdiction; and

(c) the insured, by acceptance of the policy, constitutes and appoints the insurer as the insured's irrevocable attorney to appear and defend, in that province or territory or prescribed jurisdiction, an action that is brought against the insured arising out of the ownership, use or operation of the automobile.

(2) A provision in a motor vehicle liability policy in accordance with clause (1)(c) is binding on the insured.

Excess insurance

8-57(1) Nothing in this Subdivision precludes an insurer from providing under a contract evidenced by a motor vehicle liability policy insurance restricted to a limit in excess of that provided by *The Automobile Accident Insurance Act* or by another designated contract evidenced by a motor vehicle liability policy, whether the designated contract is first loss insurance or excess insurance.

(2) If the insurance provided pursuant to *The Automobile Accident Insurance Act* or the designated contract, as the case may be, terminates or is terminated, the designated contract is also automatically terminated.

Agreements re deductible amounts

8-58 Nothing in this Subdivision precludes an insurer from entering into an agreement with its insured under a contract evidenced by a motor vehicle liability policy providing that the insured will reimburse the insurer in an agreed amount for the deductible amount set out in the contract with respect to any claim by or judgment in favour of a third party against the insured, and the agreement may be enforced against the insured.

Coverage under motor vehicle liability and nuclear energy hazard liability policies

8-59(1) In this section, “**nuclear energy hazard**” means the radioactive, toxic, explosive or other hazardous properties of substances prescribed pursuant to the *Nuclear Safety and Control Act* (Canada).

(2) If an insured, whether named in the contract or not, is covered under a contract evidenced by a motor vehicle liability policy for loss or damage resulting from bodily injury to or the death of any person or loss of or damage to property arising directly or indirectly out of a nuclear energy hazard and is, whether named in the contract or not, also covered against that loss or damage under a contract evidenced by a policy of nuclear energy hazard liability insurance issued by a group of insurers and in force at the time of the event giving rise to the loss or damage:

(a) the motor vehicle liability insurance is excess to the nuclear energy hazard liability insurance, and the insurer under the contract of motor vehicle liability insurance is not liable to pay beyond the limits established by section 8-55; and

(b) an unnamed insured under the contract of nuclear energy hazard liability insurance may, with respect to the loss or damage, recover indemnity under that contract in the same manner and to the same extent as if named in the contract as the insured.

(3) For the purposes of clause (2)(b), the unnamed insured is deemed:

- (a) to be a party to the contract; and
- (b) to have given consideration for the contract.

(4) For the purposes of this section, a contract of nuclear energy hazard liability insurance is deemed to be in force at the time of the event giving rise to the loss or damage even if the limits of liability under the contract have been exhausted.

Determining which insurer is liable

8-60(1) If a person is insured under more than one contract evidenced by a motor vehicle liability policy, whether the insurance is first loss insurance or excess insurance, and a question arises pursuant to clause 8-49(b) between an insurer and the insured or between the insurers as to which insurer must undertake the obligation to defend in the name of and on behalf of the insured, the insured or any insurer may, whether or not any insurer denies liability under its contract, apply to the court, and the court may by order give any directions that appear proper with respect to the performance of the obligation.

(2) The only parties entitled to notice of an application pursuant to subsection (1) and to be heard are the insured and the insured's insurers, and no material or evidence used or taken on the application is admissible on the trial of an action brought against the insured for loss or damage to persons or property arising out of the use or operation of the automobile with respect to which the insurance is provided.

(3) An order pursuant to subsection (1) does not affect the rights and obligations of the insurers with respect to payment of any indemnity under their respective policies.

(4) If indemnity is provided to the insured under two or more contracts and one or more of them are excess insurance, the insurers shall, as between themselves, contribute to the payment of expenses, costs and reimbursement for which provision is made in section 8-65 in accordance with their respective liabilities for damages awarded against the insured.

Rights of creditors

8-61(1) Any person who has a claim against an insured for which indemnity is provided by a contract evidenced by a motor vehicle liability policy, even if that person is not a party to the contract, may:

- (a) on recovering a judgment with respect to the claim against the insured in any province or territory or in another prescribed jurisdiction, have the insurance money payable under the contract applied in or towards satisfaction of the judgment and of any other judgments or claims against the insured covered by the contract; and
- (b) on the person's own behalf and on behalf of all persons having judgments or claims mentioned in clause (a), maintain an action against the insurer to have the insurance money applied in the manner mentioned in that clause.

(2) For the purpose of applying *The Limitations Act* to an action against an insurer pursuant to subsection (1), the day on which the act or omission on which the claim is based takes place is the date of the final determination of the action against the insured, including appeals if any.

(3) A creditor of the insured is not entitled to share in the insurance money payable under any contract unless the creditor's claim is one for which indemnity is provided by that contract.

(4) The right of a person who is entitled pursuant to subsection (1) to have insurance money applied in or towards the person's judgment or claim is not prejudiced by:

- (a) an assignment, waiver, surrender, cancellation or discharge of the contract, or of any interest in or of the proceeds of the contract, made by the insured after the event giving rise to the person's claim under the contract;
- (b) any act or default of the insured before or after that event in contravention of this Subdivision or of the terms of the contract; or
- (c) any contravention of the *Criminal Code* or an Act or Act of any province or territory or of any state of the United States of America or in another prescribed jurisdiction by the owner or driver of the automobile.

(5) None of the matters mentioned in clause (4)(a), (b) or (c) is available to the insurer as a defence in an action brought pursuant to subsection (1).

(6) It is not a defence to an action pursuant to this section that an instrument issued as a motor vehicle liability policy by a person engaged in the business of an insurer and alleged by a party to the action to be such a policy is not a motor vehicle liability policy, and this section applies, with any necessary modification, to the instrument.

(7) The insurer may require any other insurers liable to indemnify the insured in whole or in part with respect to judgments or claims mentioned in subsection (1) to be made parties to the action and to contribute according to their respective liabilities, whether the contribution is rateable or by way of first loss or excess insurance, as the case may be, and the insured shall, on demand of the insurer, provide the insurer with particulars of all other insurance covering the subject-matter of the contract.

(8) An insurer may apply to the court without notice for an order for payment of the money into court, and the court may make an order accordingly on any notice that it considers necessary if:

- (a) a person has recovered a judgment against the insured and is entitled to maintain an action pursuant to subsection (1);
- (b) the insurer admits liability to pay the insurance money under the contract; and

- (c) the insurer considers that:
 - (i) there are or may be other claimants; or
 - (ii) there is no person capable of giving and authorized to give a valid discharge for payment who is willing to do so.
- (9) The receipt of the proper officer of the court is a sufficient discharge to the insurer for the insurance money paid into court pursuant to subsection (8), and the insurance money must be dealt with as the court orders on application of any person the court considers interested.
- (10) Notwithstanding anything to the contrary contained in a contract evidenced by a motor vehicle liability policy, every contract evidenced by a motor vehicle liability policy is deemed, for the purposes of this section, to provide all the types of coverage mentioned in section 8-54, but the insurer is not liable to a claimant with respect to the coverage in excess of the limits established by section 8-55.
- (11) Notwithstanding subsection (4), if one or more contracts provide for coverage of a type mentioned in section 8-51 or 8-53, the insurer may, except as provided in subsection (13), avail itself of any defence that it is entitled to set up against the insured:
 - (a) with respect to that type of coverage; and
 - (b) as against a claimant.
- (12) Notwithstanding subsection (4), if one or more contracts provide for coverage in excess of the limits established by section 8-55, the insurer may, except as provided in subsection (13), avail itself of any defence that it is entitled to set up against the insured other than a defence arising out of a breach of Statutory Condition 2 set out in section 8-41:
 - (a) with respect to the coverage in excess of those limits; and
 - (b) as against a claimant.
- (13) If a contract provides coverage for loss or damage resulting from bodily injury to or the death of any person being carried in or on, entering, getting on or alighting from an automobile that is operated in the business of carrying passengers for compensation or hire and insured for that purpose, the insurer may, notwithstanding subsection (4), avail itself of any defence that it is entitled to set up against the insured other than a defence arising out of a breach of Statutory Condition 2 set out in section 8-41:
 - (a) with respect to that type of coverage in excess of the limits established by section 8-55 or the minimum limits required for that type of coverage pursuant to any other Act, whichever is the greater amount; and
 - (b) as against a claimant.
- (14) The insured shall reimburse the insurer on demand in the amount that the insurer has paid by reason of this section that it would not otherwise be liable to pay.

(15) If an insurer denies liability under a contract evidenced by a motor vehicle liability policy, it shall, on application to the court, be made a third party in any action to which the insured is a party and in which a claim is made against the insured by any party to the action in which it is or might be asserted that indemnity is provided by the contract, whether or not the insured enters an appearance or defence in the action.

(16) On being made a third party, the insurer may, to the same extent as if it were a defendant in the action:

- (a) contest the liability of the insured to any party claiming against the insured;
- (b) contest the amount of any claim made against the insured;
- (c) deliver any pleadings with respect to the claim of any party claiming against the insured;
- (d) have disclosure of information from any party adverse in interest pursuant to Part 5 of *The Queen's Bench Rules*; and
- (e) examine and cross-examine witnesses at the trial.

(17) An insurer may avail itself of subsection (16) even if another insurer is defending, in the name of and on behalf of the insured, an action to which its insured is a party.

Payment as release of claim

8-62(1) If an insurer makes a payment on behalf of an insured under a contract evidenced by a motor vehicle liability policy to a person who is or alleges to be entitled to recover from the insured covered by the policy, the payment constitutes, to the extent of the payment, a release by the person or the person's personal representative of any claim that the person or the person's personal representative or any person claiming through or under the person or by virtue of *The Fatal Accidents Act* may have against the insured and the insurer.

(2) Nothing in this section precludes the insurer making the payment from demanding, as a condition precedent to the payment, release from the person or the person's personal representative mentioned in subsection (1) or any other person to the extent of the payment.

Advance payments

8-63(1) Subject to the regulations, if a person commences an action with respect to a contract of insurance, the court may make an order requiring the insurer to make a payment to that person in advance of any judgment.

(2) In an action in which an order is made pursuant to subsection (1), the court must adjudicate on the matter first without reference to the payment, but in giving judgment the court must take any advance payment into account and the person is entitled to judgment only for the net amount, if any.

(3) A payment made pursuant to subsection (1) is made without prejudice to the defendant or the defendant's insurer, either as an admission of liability or otherwise.

Notice of action against insured to insurer

8-64(1) Every insured against whom an action is commenced for damages caused by an automobile shall give notice in writing of each notice or document in the action to the insurer within five days after service of each notice or document.

Physical damage cover – partial payment of loss

8-65(1) Subject to subsection 8-37(1), the insurer may provide in a contract any exclusions and limitations with respect to loss of or damage to or the loss of use of the automobile that it considers necessary.

(2) A contract or part of a contract providing insurance against loss of or damage to an automobile and the loss of use of an automobile may contain a clause to the effect that, in the event of loss, the insurer is required to pay only:

- (a) an agreed portion of any loss that may be sustained not exceeding the amount of the insurance; or
- (b) the amount of the loss after deduction of a sum specified in the policy not exceeding the amount of the insurance.

(3) If a clause is included in accordance with subsection (2), the policy must include a prescribed notice in the prescribed form.

Physical damage cover – adjustment of claim with insured

8-66(1) If a claim is made under any contract other than a contract evidenced by a motor vehicle liability policy, the insurer shall, notwithstanding any agreement, adjust the amount of the claim with the insured named in the contract as well as with any person having an interest indicated in the contract.

(2) If notice is given or a proof of loss is made by a person other than the insured because the insured cannot be located or neglects or refuses or is unable to give notice and make a claim pursuant to Statutory Conditions 4 and 7 set out in section 8-41, the insurer may, notwithstanding subsection (1) but in any event not earlier than 60 days after delivery of the statutory declaration required pursuant to Statutory Condition 4(1)(c), adjust and pay the claim to the other person having an interest indicated in the contract.

(2) If an insurer makes a payment under a contract mentioned in subsection (1), the payment constitutes, to the extent of the payment, a release by the insured or the insured's personal representatives of any claim that the insured or the insured's personal representatives or any person claiming through or under the insured or by virtue of *The Fatal Accidents Act* may have against:

- (a) the insurer; and
- (b) any other person who may be liable to the insured or the insured's personal representatives if that other person is insured under a contract of the same type as that mentioned in subsection (1).

(4) Subject to subsection 8-76(3), the insurance mentioned in clause (1)(a) is a first loss insurance, and any other automobile insurance of the same type available to the injured person or with respect to a deceased person is excess insurance only.

(2) If an insurer makes a payment under a contract mentioned in subsection (1), the payment constitutes, to the extent of the payment, a release by the insured or the insured's personal representatives of any claim that the insured or the insured's personal representatives or any person claiming through or under the insured or by virtue of *The Fatal Accidents Act* may have against:

(a) the insurer; and

(b) any other person who may be liable to the insured or the insured's personal representatives if that other person is insured under a contract of the same type as that mentioned in subsection (1).

Subdivision 4
Other Insurance

Proportioning liability of insurer

8-76(1) Subject to section 8-59 and the regulations, insurance under a contract of insurance evidenced by a valid owner's policy is, with respect to liability arising from or occurring in connection with the ownership, use or operation of an automobile owned by the insured named in the contract and within the description or definition of an automobile in the policy, a first loss insurance, and insurance attaching under any other valid motor vehicle liability policy is excess insurance only.

- (2) Subject to subsection (1) and to sections 8-67, 8-68 and 8-69, if the insured named in a contract has or places any other valid insurance, whether against liability for the ownership, use or operation of or against loss of or damage to an automobile or otherwise, of the named insured's interest in the subject-matter of the contract or any part of the contract, the insurer is liable only for its rateable proportion of any liability, expense, loss or damage.
- (3) The insurance provided pursuant to sections 8-67, 8-68 and 8-69 is excess insurance to that provided pursuant to *The Automobile Accident Insurance Act*.
- (4) For the purposes of subsection (2), “**rateable proportion**” means:
- (a) if there are two insurers liable and each has the same policy limits, each of the insurers is liable to share equally in any liability, expense, loss or damage; or
 - (b) if there are two insurers liable with different policy limits, the insurers are liable to share equally up to the limit of the smaller policy limit.
- (5) For the purposes of the definition of “**rateable proportion**” in subsection (4), if there are more than two insurers liable, clauses (a) and (b) apply with any necessary modification.

(2) The insurer may, by an endorsement on a policy, insure a crop for any period.

(3) Subject to the approval of the Superintendent, the insurer may, by an endorsement on a policy, insure a crop against loss or damage incidental to crops arising from other causes, and in that case the Statutory Conditions set out in section 8-95 must be read with those modifications necessary to give effect to the terms and conditions of the endorsement.

Insurable interest

8-80(1) A contract is void if, at the time at which it would otherwise take effect, the insured does not have an insurable interest in the insured crop.

(2) If an insured has an insurable interest in the insured crop when the contract takes effect, it is not necessary for the validity of the contract that any person to whom the insurance money is payable, whether by the terms of the contract or by assignment, have an insurable interest in the crop.

(3) The application must set out:

(a) the name and address of the applicant;

8-83(1) An insurer shall give notice in writing to an insured of the availability of the dispute resolution process described in Statutory Condition 15 set out in section 8-95 within two business days after the insurer becomes aware that there is a disagreement between the insurer and the insured that the contract requires to be determined by a dispute resolution process.

(2) If a disagreement occurs regarding payment of a claim or loss or if an insurer denies an insured's claim, the insurer shall, within two business days after the disagreement arose or after the denial of the claim, give written notice to the insured of the following options available to the insured:

8-84 Every person who takes an application on behalf of an insurer shall deliver it to the insurer or forward it to the insurer by mail or by electronic means approved by the insurer not later than the day following the day on which the application is taken.

Effective date of contract

8-85(1) If an application is taken pursuant to section 8-84:

- (a) it is deemed to have been received by the insurer no later than the day following the day on which the application is taken; and
 - (b) a contract in accordance with the application takes effect at 12:00 noon of the day following the date of application.
- (2) The insurer may decline an application within three days after its receipt.
- (3) If the insurer declines an application, the insurer shall immediately give notice of that decision to the applicant and to the insurance agent who delivered the application:
- (a) by registered letter to the applicant or insurance agent at the applicant's or insurance agent's address as given in the application; or
 - (b) by electronic means agreed to by the applicant and the insurance agent.

 - (b) the insurer shall refund the premium to the applicant after deducting any earned premium for time on risk.
- (5) Notwithstanding subsections (2) to (4), notice in writing that the application has been declined may be personally delivered to the applicant by the insurance agent along with a refund of the unearned premium, and, in that event, the contract mentioned in subsection (1) continues in force only until 12:00 noon of the day following the day on which the applicant receives the notice.
- (6) If the insurer does not notify the applicant that the application has been declined, the insurer is deemed to have accepted the application.

Incorrect amount of premium

8-86(1) If the amount of a premium tendered with an application or payable at a later date is not the correct amount due to an error by the insured:

- (a) the insurance must, unless readjusted before loss occurs, be either reduced or increased to the amount the premium actually tendered would pay for, according to the correct rate of premium applicable to the risk;
- (b) if the actual acreage of the insured crop under any item of a policy is found to be greater than the acreage described in the application, the amount of insurance on each acre is reduced on a prorated basis in its relation to the actual acreage, unless the acreage insured is clearly identified in the application or by a diagram in the application; and
- (c) the insurer shall immediately, after discovering the error, notify the insured in writing of the adjustment.

(2) If the amount of a premium tendered with an application or payable at a later date is not the correct amount due to an error by the insurer or the insurer's representative, the insurer shall immediately notify the insured in writing of the adjustment of the premium due.

(3) If the insurer does not adjust the amount of the premium pursuant to subsection (2) before loss occurs, any payment to the insured under the contract must not be reduced because of the error by the insurer or the insurer's representative.

(4) If the actual acreage of the insured crop under any item of a policy is determined by either the insured or the insurer to be less than the area described in the application under that item, the insurer shall repay to the insured the premium paid on the excess acreage.

Policy in accordance with application

8-87 A policy issued to an insured must be in accordance with the application unless the insurer immediately gives notice to the insured in writing of the particulars in which the policy and application differ.

Expiry of contracts

8-88(1) Subject to subsection (2), all policies of crop hail insurance expire at 12:00 noon on October 15 in the year in which they are made.

(2) The insurer may, by an endorsement on the policy, agreed to at the time the endorsement is made, extend the term of the contract beyond October 15.

Partial payment of loss clause

8-89(1) A policy may contain a partial payment of loss clause to the effect that the insurer is required to pay only an agreed proportion of any loss that is sustained or the amount of the loss after deduction of a sum specified in the policy, in either case not exceeding the amount of the insurance.

(2) If the policy contains the clause mentioned in subsection (1), the policy must include a prescribed notice in the prescribed form.

(3) A partial payment of loss clause is not deemed to be a variation of or addition to the Statutory Conditions set out in section 8-95.

Notice of third party

8-90 If a loss has, with the consent of the insurer, been made payable to some person other than the insured, the contract shall not be cancelled or altered to the prejudice of that person without reasonable notice to that person by the insurer.

Adjustment of loss

8-91(1) If an adjustment of loss under a contract has been made, a copy of the adjustment signed by the adjuster must be given to the insured or the insured's representative.

(2) If the insured accepts all or a part of the adjustment of the insurer's adjuster of the loss under the contract, the insured shall sign the adjustment acknowledging the insured's acceptance or rejection of each item of loss on the adjustment.

(3) A copy of the adjustment mentioned in subsection (2) signed by both the adjuster and the insured must be given to the insured or the insured's representative.

Premium rates

8-92(1) Before May 1 in each year, each insurer shall file with the Superintendent a notice setting out the premium rates to be charged in areas in Saskatchewan that are designated by the Superintendent.

(2) The premium rates filed pursuant to subsection (1) are effective during the current calendar year unless changed and notice of the change is filed with the Superintendent at least 10 days before becoming effective.

If premium rates reduced

8-93 If a premium rate has been reduced after notification pursuant to section 8-92:

- (a) the new rate is applicable to all contracts issued by the insurer within the designated areas mentioned in subsection 8-92(1); and
- (b) the insurer shall return to each insured within the designated areas the amount by which the premium paid by each insured exceeds the premium at the lower rate.

Hail insurance reserve

8-94(1) Every provincial crop hail company shall, each year, set aside as a hail insurance reserve at least 50% of the profit realized from the business during the year, until the amount of the reserve in any given year is equal to at least 50% of the net hail premiums written during the preceding year.

(2) Once a provincial crop hail company has created a reserve at the level required by subsection (1), the provincial crop hail company shall maintain its reserve at that level.

Statutory Conditions part of every policy

8-95(1) The Statutory Conditions set out in this section are deemed to be part of every contract in force in Saskatchewan and must be printed on every policy under the heading "Statutory Conditions".

(2) No variation or omission of or addition to any Statutory Condition is binding on the insured.

Statutory Conditions**Misdescription or misrepresentation**

1 If in an application the applicant falsely describes the location and acreage of the crop to the prejudice of the insurer or knowingly misrepresents or fails to disclose any fact required to be stated in the application, the insurance is void as to the item of the application in respect of which the misdescription, misrepresentation or omission is made.

Waiver of conditions

2 No term or condition of the contract is deemed to have been waived by the insurer, either in whole or in part, unless the waiver is clearly expressed in writing signed by or on behalf of the insurer.

Officer presumed an agent

3 Any officer or managing general agent of the insurer who assumes on behalf of the insurer to enter into a written agreement relating to any matter connected with the insurance is deemed to be the agent of the insurer for the purpose.

4 No claimant is entitled to indemnity under the contract for any loss or damage that is found to be less than 5% of the crop on the acreage damaged by hail.

Conditions of indemnity

5 No claimant is entitled to indemnity under the contract:

- (a) when the crop is wholly destroyed by any cause other than:
 - (i) hail; or
 - (ii) a cause that is set out in the endorsement and that is approved by the Superintendent to be set out in the endorsement;
- (b) when the crop is over-ripe unless the crop has not been harvested due to circumstances beyond the control of the insured; or
- (c) when the crop or any portion of the crop has been so injured by causes other than hail that the crop or any portion of the crop, as the case may be, would not yield profit over and above the actual cost of harvesting and marketing it.

Notice of claim of loss

6(1) Any person claiming under the contract must give notice of claim of loss or damage in writing to the insurer or at the location designated by the insurer within 3 days after the occurrence of loss, stating the number of the policy, the day and hour of the storm, the estimated damage to each portion of the insured crop and the names of other insurers carrying insurance on the area damaged by hail.

(2) Notwithstanding subsection (1) of this condition, failure to give notice within the time referred to in that subsection does not, subject to Statutory Condition 9, invalidate the claim if it is shown that it was not reasonably possible to give notice within that time and that notice was given as soon as was reasonably possible.

Right of access of insurer

7 After any loss or damage to the insured crop, the insurer has an immediate right of access and entry by accredited representatives sufficient to enable them to survey and examine the crop and to make an estimate of the loss or damage.

Insurer and insured to ascertain percentage

8(1) Within 30 days after the receipt of notice of claim of loss or damage, the insurer and the insured or their accredited representatives must together ascertain and agree on the percentage of loss or damage sustained on the acreage of the crop or any portion of the crop insured under any item of the policy.

(2) The amount of indemnity must be ascertained on the agreed percentage of the insurance on the acreage sustaining loss or damage by hail, subject to the terms of the policy or subject to the determination of the amount of the loss or damage by a dispute resolution process as provided in Statutory Condition 15.

(3) No account is to be taken of the cost of cutting or threshing the portion of the crop not destroyed or damaged.

(4) The determination of the percentage of loss or damage may be deferred to a later date agreed on in writing between the insurer and the insured.

Proof of loss

9(1) A person making a claim under the contract must, within 30 days after the occurrence of a loss or within 30 days after the deferred adjustment date, unless that time is extended by the insurer with notification to the insured, provide a statutory declaration (in these conditions called the “proof of loss”) on a form provided by the insurer, setting out the date and number of the policy, the date of the occurrence of the loss or damage, the location and acreage of the crop damaged, the estimated percentage of loss or damage sustained on the acreage of the crop or any portion of the crop insured under any item of the policy and whether the crop was damaged by hail before the time of the application.

(2) If the claimant fails to provide proof of loss, the claimant forfeits any claim under the contract.

(3) If the insurer, within 30 days after the occurrence of a loss referred to in subsection (1) of this condition, or at the time of the deferred adjustment, has ascertained the loss acceptably to the claimant or if the amount of loss has been determined by a dispute resolution process as provided in Statutory Condition 15, the insurer is deemed to have waived proof of loss unless proof of loss is requested by the insurer in writing.

Proof of loss may be made by a representative of insured

10 Proof of loss must be made by the insured even if the loss is payable to a third person, except that, in the case of the absence of the insured or the insured’s inability or refusal to make proof of loss, proof of loss may be made by the insured’s representative or by a person to whom any part of the insurance money is payable.

Fraud or false statement

11 Any fraud or wilfully false statement in a proof of loss invalidates the claim of the person making proof of loss.

Payment of money within period

12 The insurer must pay the insurance money for which it is liable under the contract within 60 days after proof of loss has been received by it or, when a dispute resolution process is conducted under Statutory Condition 15, within 30 days after the percentage of damage is determined by the representatives or umpire.

Insured liable for expenses incurred

13 If the insured claims for loss or damage under the contract and it is found that the insured is not entitled to indemnity under the conditions of the contract, the insured is liable for the expenses incurred in the adjustment of the insured’s claim.

Cancellation of contract

14(1) The contract may be cancelled at any time by the insured by giving notice to that effect to the insurer and the insurer must refund within 15 days from the date of notice the excess of paid premium above the customary short rate premium for the time the contract has been in force.

(2) If a note or other undertaking was accepted as payment of the premium, the insured shall pay the insurer the earned portion as payment of the premium and on payment or tender of that amount the insurer shall return that note or undertaking to pay, or if the insured does not pay or tender the amount, the insurer shall endorse on the note or other undertaking a credit of the amount of the unearned portion of the premium.

(3) An insurer may only cancel a contract if the insured has failed to pay the premium in whole or part pursuant to the terms and conditions of the contract.

(4) When an insurer elects to cancel a contract pursuant to subsection (3), the insurer must:

- (a) give the insured at least 15 days' notice by registered mail or personal service on the insured of cancellation of the contract for non-payment of premium; and
- (b) allow the insured to avoid cancellation of the contract by payment of the outstanding premium to the insurer or the insurer's representative on or before the expiration of the 15 days.

(5) Where an insured has failed to pay the premium in whole or part pursuant to the terms and conditions of the contract, the insurer may elect to keep the contract in force and:

- (a) deduct the unpaid premium from any amount the insurer is obligated to pay to the insured under the contract; or
- (b) sue the insured for the unpaid premium.

Dispute resolution

15(1) In the event of a disagreement as to the percentage of damage by hail to any of the insured growing crops, whether the right to recover on the contract is disputed or not, the percentage must, when so required by either party, be ascertained by a dispute resolution process, which must be conducted as follows:

- (a) the party desiring the dispute resolution process must, within 3 days after the disagreement, deliver or cause to be delivered to the other party a notice in writing requiring a dispute resolution process to be conducted and appointing a dispute resolution representative, who must act either alone or with a dispute resolution representative appointed by the other party to estimate the percentage of the damage;
- (b) not later than 3 days after receipt of a notice under clause (a) the other party may appoint a dispute resolution representative and, within that period, must notify the first party of the appointment by notice in writing;
- (c) if a party, after receipt of written notice from the other party under clause (a), fails or refuses to appoint a dispute resolution representative within the time set out in clause (b), the percentage of damage must be estimated and determined by the representative appointed by the party giving notice;

(d) where each party has appointed a dispute resolution representative, the representatives must together estimate the percentage of damage and if they fail to agree must submit their differences to an umpire, and subject to clause (e), the finding in writing of any 2 of them determines the percentage of the damage;

(e) notwithstanding clause (d), an umpire, in the umpire's sole discretion, may determine the percentage of damage where a finding pursuant to clause (d) would result in unfairness to the insured;

(f) the Superintendent shall appoint an umpire on the application of either representative if:

(i) the dispute resolution representatives fail to agree on an umpire within 15 days after their appointment; or

(ii) the umpire fails or refuses to act or is incapable of acting or dies;

(g) the Superintendent must, as soon as is practicable, after receiving an application under clause (f) appoint an umpire from a list of eligible umpires compiled and maintained by the Superintendent;

(h) if only one dispute resolution representative has been appointed, the parties must share equally the representative's expenses;

(i) if 2 dispute resolution representatives have been appointed, each party must pay the expenses of the representative appointed by the party;

(j) if an umpire is required, the parties must share equally the umpire's expenses;

(k) the assessment of damage must be conducted within 2 days after the date on which:

(i) a dispute resolution representative is appointed under clause (b); or

(ii) if no dispute resolution representative is appointed under clause (b), the time for appointing a dispute resolution representative under clause (b) expires, or at a later date as agreed on by the 2 dispute resolution representatives, if 2 representatives have been appointed;

(l) if the dispute resolution representatives cannot agree on an extension of time under clause (k), the Superintendent may extend the time on the application of either representative.

(2) An umpire is bound by the rules of procedural fairness in carrying out the umpire's functions under this Statutory Condition.

Limitation of actions

16 An action or proceeding against the insurer is subject to *The Limitations Act*.

Assignment or change of property

17 If the insured crop or the insurable interest of the insured in the insured crop is assigned without the permission of the insurer, the assignment is not binding on the insurer, but this condition does not apply to change of title by succession, by operation of law or by death.

Substitution for Statutory Condition 12 and variation of Statutory Condition 15

8-96(1) In the case of a contract undertaken by a provincial mutual company that is a provincial crop hail company, the following condition must be printed on the policy in substitution for Statutory Condition 12 set out in section 8-95:

Payment of loss

12 The insurer shall not later than November 1 in the year in which the policy is issued pay the insurance money for which it is liable, but, if the assets and the total actual and estimated revenue of the insurer may not be sufficient to pay in full all losses incurred during the year, the insurer shall pay the losses prorated in accordance with the provisions of *The Insurance Act* that apply to provincial mutual companies.

(2) Statutory Condition 15 may be varied but if, by reason of the variation, the contract is, in the opinion of the insured, less favourable to the insured than it would be if the condition had not been varied, the condition is deemed to be printed on the policy in the form in which it appears in section 8-95.

Relief from forfeiture

8-97 The court may relieve against a forfeiture or avoidance of insurance on any conditions that the court considers appropriate if:

- (a) there has been imperfect compliance with a Statutory Condition as to proof of loss to be given by the insured after the occurrence of the loss insured against;
- (b) there has been a consequent forfeiture or avoidance of the insurance, in whole or in part; and
- (c) the court considers it inequitable that the insurance should be forfeited or avoided on that ground.

Subdivision 3
Formation of Contract

Lack of insurable interest

8-107(1) Subject to subsection (2), if at the time a contract would otherwise take effect the insured has no insurable interest, the contract is void.

- (2) A contract is not void for lack of insurable interest:
- (a) if it is a contract of group insurance; or
 - (b) if the person whose life is insured has consented in writing to the insurance being placed on his or her life.
- (3) If the person whose life is insured is under the age of 16 years, consent to insurance being placed on the person's life may be given by one of his or her parents or legal guardians or a person standing in the place of a parent to the person.

Persons insurable

8-108(1) Without restricting the meaning of "**insurable interest**", a primary person is a person who has an insurable interest:

- (a) in the case of a primary person who is an individual, in his or her own life and the lives of:
 - (i) the primary person's child or grandchild;
 - (ii) the primary person's spouse;
 - (iii) a person on whom the primary person is wholly or partly dependent for, or from whom the primary person is receiving, support or education;

- (b) in the case of a primary person that is not an individual, the lives of:
 - (i) a director, officer or employee of the primary person; and
 - (ii) a person in the duration of whose life the primary person has a pecuniary interest.

(2) If a primary person places life insurance on the life of any person set out in clause (1)(a), the insurer shall send a notice in writing to those persons whose lives are insured:

- (a) at the time the insurance is placed, advising of the particulars of the insurance; and
- (b) when any material changes are made to the insurance, particulars of the changes, including assignment or cancellation of the contract.

Termination of contract by court

8-109(1) On application to the court by a person whose life is insured under a contract, the court may make the orders the court considers just in the circumstances if:

- (a) the person whose life is insured under a contract is someone other than the insured; and
 - (b) the person mentioned in clause (a) reasonably believes that the person's life or health might be endangered by the insurance on that person's life continuing under that contract.
- (2) Without limiting subsection (1), the court may make any or both of the following orders pursuant to subsection (1):
- (a) an order that the insurance on that person's life under the contract be terminated in accordance with the terms of the contract other than any terms respecting notice of termination;
 - (b) an order that the amount of insurance under the contract on that person's life be reduced.
- (3) An application pursuant to subsection (1) must be made on at least 30 days' notice to the insured, the beneficiary, the insurer and any other person the court considers to have an interest in the contract.
- (4) Notwithstanding subsection (3), if the court considers it just to do so, it may dispense with the notice in the case of:
- (a) a person other than the insurer; or
 - (b) if the contract is a contract of group insurance or of creditor's group insurance, the insured.
- (5) An order made pursuant to this section binds any person having an interest in the contract.

When contract takes effect

8-110(1) Subject to a provision to the contrary in the application or the policy, a contract does not take effect unless:

- (a) the policy is delivered to:
 - (i) an insured;
 - (ii) the insured's assignee or agent;

- (iii) the insurance agent with whom the insured applied for the policy; or
 - (iv) a beneficiary;
 - (b) payment of the initial premium is made to the insurer or its authorized agent; and
 - (c) no change has taken place in the insurability of the life to be insured between the time the application was completed and the time the policy is delivered.
- (2) If a policy is issued on the terms applied for and is delivered to an agent of the insurer for unconditional delivery to a person mentioned in clause (1)(a), it is deemed to have been delivered to the insured, but not to the prejudice of the insured.

Premium payments

- 8-111(1)** If a cheque or other bill of exchange or a promissory note or other written promise to pay is given for the whole or part of a premium and the cheque, bill of exchange, promissory note or other promise to pay is not honoured, the premium or the part of the premium has not been paid.
- (2) If a remittance for or on account of a premium is sent in a registered letter to an insurer and is received by the insurer, the remittance is deemed to have been received at the time of the registration of the letter.

Payment of premium by beneficiary

- 8-112(1)** In this section, “**industrial contract**” means a contract for an amount not exceeding \$2,000, exclusive of any benefit, surplus, profit, dividend or bonus also payable under the contract, that provides for payment of premiums:
- (a) every two weeks or at shorter intervals; or
 - (b) if the premiums are usually collected at the home of the insured, at monthly intervals.
- (2) Except in the case of group insurance or of creditor’s group insurance, an assignee of a contract, a beneficiary or a person acting on behalf of one of them or on behalf of the insured may pay any premium that the insured is entitled to pay.
- (3) If a premium, other than the initial premium, is not paid at the time it is due, the premium may be paid within a period of grace of the longer of:
- (a) 30 days or, in the case of an industrial contract, 28 days, after the day on which the premium is due; and
 - (b) the number of days, if any, specified in the contract for payment of an overdue premium.
- (4) If the happening of the event on which the insurance money becomes payable occurs during the period of grace and before the overdue premium is paid, the contract is deemed to be in effect as if the premium had been paid at the time it was due and, except in the case of group insurance or of creditor’s group insurance, the amount of the premium may be deducted from the insurance money.

Disclosure of material facts

8-113(1) An applicant for insurance and a person whose life is to be insured shall each disclose to the insurer in the application, on a medical examination, if any, and in any written statements or answers provided as evidence of insurability, every fact within the applicant's or person's knowledge that is material to the insurance and is not disclosed by the other.

(2) Subject to section 8-114 and subsection (3), a failure to disclose, or a misrepresentation of, a fact mentioned in subsection (1) renders the contract voidable by the insurer.

(3) A failure to disclose, or a misrepresentation of, a fact mentioned in subsection (1) relating to evidence of insurability with respect to an application for any addition, increase or change mentioned in clauses (a) to (c) renders the contract voidable by the insurer, but only in relation to the addition, increase or change:

- (a) additional coverage under a contract;
- (b) an increase in insurance under a contract; or
- (c) any other change to insurance after the policy is issued.

Failure to disclose

8-114(1) This section does not apply:

- (a) to a misstatement to an insurer of the age of a person whose life is insured; or
- (b) to insurance under which an insurer, as part of a contract, undertakes to pay insurance money or to provide other benefits in the event the person whose life is insured becomes disabled as a result of bodily injury or disease.

(2) Subject to subsection (3), if a contract, or an addition, increase or change mentioned in subsection 8-113(3), has been in effect for two years during the lifetime of the person whose life is insured, a failure to disclose, or a misrepresentation of, a fact required by section 8-113 to be disclosed does not, in the absence of fraud, render the contract voidable.

(3) Subject to subsection (4), in the case of a contract of group insurance or of creditor's group insurance, a failure to disclose, or a misrepresentation of, a fact required by section 8-113 to be disclosed with respect to a person whose life is insured under the contract does not render the contract voidable, but:

- (a) if the failure to disclose or misrepresentation relates to evidence of insurability specifically requested by the insurer at the time of application for the insurance with respect to the person, the insurance with respect to that person is voidable by the insurer; and
- (b) if the failure to disclose or misrepresentation relates to evidence of insurability specifically requested by the insurer at the time of application for an addition, increase or change mentioned in subsection 8-113(3) with respect to the person, the addition, increase or change with respect to that person is voidable by the insurer.

(4) Subsection (3) does not apply if the insurance, addition, increase or change has been in effect for two years during the lifetime of that person, and, in that case, the insurance, addition, increase or change is not, in the absence of fraud, voidable.

Non-disclosure and misrepresentation by insurer

8-115 If an insurer fails to disclose or misrepresents a fact material to the insurance, the contract is voidable by the insured, but in the absence of fraud the contract is not by reason of the failure or misrepresentation voidable after the contract has been in effect for two years.

Misstatement of age

8-116(1) This section does not apply to a contract of group insurance or of creditor's group insurance.

(2) Subject to subsection (3), if the age of a person whose life is insured is misstated to the insurer, the insurance money provided by the contract must be increased or decreased to the amount that would have been provided for the same premium at the correct age.

(3) If a contract limits insurable age and the correct age of the person whose life is insured exceeds that limit at the date of the application, the contract is voidable by the insurer for five years after the date the contract takes effect, but not afterwards, and only if:

- (a) the person is alive; and
- (b) the insurer voids the contract within 60 days after it discovers the misstatement of age.

Misstatement of age in group insurance

8-117 In the case of a contract of group insurance or of creditor's group insurance, a misstatement to the insurer of the age of a person whose life is insured does not of itself render the contract voidable, and the provisions, if any, of the contract with respect to age or misstatement of age apply.

Suicide clause

8-118(1) If a contract contains an undertaking, express or implied, that insurance money will be paid if a person whose life is insured commits suicide, the undertaking is lawful and enforceable.

(2) If a contract provides that if a person whose life is insured commits suicide within a certain period, specified in the contract, the contract is void or the amount payable under it is reduced, in the circumstance where the contract lapses and is subsequently reinstated on one or more occasions, the period commences to run from the date of the latest reinstatement.

Reinstatement of contract

8-119(1) This section does not apply to a contract of group insurance or of creditor's group insurance or to a contract made by a fraternal society.

(2) If a contract lapses at the end of a period of grace because a premium due at the beginning of the period of grace was not paid, the contract may be reinstated by payment of the overdue premium within a further period of 30 days after the end of the period of grace, but only if the person whose life was insured under the contract is alive at the time payment is made.

(3) If a contract lapses and is not reinstated pursuant to subsection (2), the insurer shall reinstate it if, within two years after the date the contract lapsed, the insured:

- (a) applies for the reinstatement;
- (b) pays to the insurer all overdue premiums and other indebtedness under the contract together with interest not exceeding the rate prescribed pursuant to subsection 4(2) of *The Pre-judgment Interest Act*; and

(4) Subsections (2) and (3) do not apply if the cash surrender value has been paid or an option of taking paid-up or extended insurance has been exercised.

(5) Sections 8-113 and 8-114 apply, with any necessary modification, to reinstatement of a contract.

Termination and replacement of group contract

8-120(1) The insurer continues, as though a contract of group insurance or benefit provision had remained in full force and effect, to be liable to pay insurance money or provide benefits with respect to a group life insured for liability arising from an accident or disease that occurred before the termination of the contract or benefit provision if:

- (a) the contract of group insurance, or a benefit provision in a contract of group insurance, under which the insurer undertakes to pay insurance money or provide other benefits if a group life insured becomes disabled as a result of bodily injury or disease is terminated; and
- (b) the disability is reported to the insurer within the six-month period following the termination or a longer continuous period specified in the contract.

(2) Notwithstanding subsection (1), an insurer does not remain liable under a contract of group insurance or benefit provision described in that subsection to pay insurance money or provide a benefit for the recurrence of a disability after both of the following occur:

- (a) the termination of the contract or benefit provision;
- (b) a continuous period of six months, or any longer period provided in the contract, during which the group life insured was not disabled.

(3) An insurer that is liable pursuant to subsection (1) to pay insurance money or provide a benefit as a result of the disability of a group life insured is not liable to pay the insurance money or provide the benefit for any period longer than the portion remaining, at the date the disability began, of the maximum period provided under the contract for the payment of insurance money or the provision of other benefits with respect to a disability of the group life insured.

(4) If a contract of group insurance, in this subsection and subsection (5) called the “replacement contract”, is entered into within 31 days after the termination of another contract of group insurance, in this subsection and subsection (5) called the “other contract”, and that replacement contract insures some or all of the same group life insured as the other contract:

(a) the replacement contract is deemed to provide that any person who was insured under the other contract at the time of its termination is insured under the replacement contract on and after the termination of the other contract if:

(i) the insurance on that person under the other contract terminated by reason only of the termination of the other contract; and

(ii) the person is a member of a class eligible for insurance under the replacement contract; and

(b) no person who was insured under the other contract at the time of its termination is to be excluded from eligibility under the replacement contract by reason only of not being actively at work on the effective date of the replacement contract.

(5) Notwithstanding subsection (1), in the circumstances mentioned in subsection (4), if the replacement contract provides that insurance money or other benefits to be paid or provided pursuant to subsection (1) by the insurer of the other contract are to be paid instead under the replacement contract, the insurer of the other contract is not liable to pay that insurance money or provide those benefits.

Subdivision 4 **Beneficiaries**

(2) Subject to subsection 8-122(1), an insured may, by declaration, alter or revoke a designation mentioned in subsection (1).

(3) A designation in favour of the “heirs”, “next of kin” or “estate” of an insured, or the use of words having similar meaning in a designation, is deemed to be a designation of the personal representative of the insured.

(4) Subject to the regulations, an insurer may restrict or exclude in a contract the right of an insured to designate persons to whom or for whose benefit insurance money is to be payable.

(5) A contract of group insurance replacing another contract of group insurance on some or all of the group life insured under the replaced contract may provide that a designation applicable to the replaced contract of a group life insured, a group life insured’s personal representative or a beneficiary as one to whom or for whose benefit insurance money is to be payable is deemed to apply to the replacing contract.

(6) If a contract of group insurance replacing another contract of group insurance provides that a designation mentioned in subsection (5) is deemed to apply to the replacing contract:

- (a) each certificate with respect to the replacing contract must indicate that the designation under the replaced contract has been carried forward and that the group life insured should review the existing designation to ensure it reflects the group life insured's current intentions; and
- (b) as between the insurer under the replacing contract and a claimant under that contract, that insurer is liable to the claimant for any errors or omissions by the previous insurer with respect to the recording of the designation carried forward under the replacing contract.

(7) If a beneficiary becomes entitled to insurance money and all or part of that insurance money remains with the insurer under a settlement option provided for in the contract or permitted by the insurer:

- (a) that portion of the insurance money remaining with the insurer is deemed to be insurance money held under a contract on the life of the beneficiary; and
- (b) subject to the provisions of the settlement option, the beneficiary has the rights and interests of an insured with respect to the insurance money.

Irrevocable designation

8-122(1) An insured may, in a contract or by a declaration, other than a declaration that is part of a will, filed with the insurer at its head office in Canada during the lifetime of the person whose life is insured, designate a beneficiary irrevocably.

(2) If the insured makes a designation pursuant to subsection (1):

- (a) the insured, while the beneficiary is living, may not alter or revoke the designation without the consent of the beneficiary; and
- (b) the insurance money is not subject to the control of the insured or the claims of the insured's creditors and does not form part of the insured's estate.

(3) If an insured purports to designate a beneficiary irrevocably in a will or in a declaration that is not filed pursuant to subsection (1), the designation has the same effect as if the insured had not purported to make it irrevocable.

(4) If a beneficiary is designated irrevocably, the insured may exercise the prescribed rights to deal with the contract of insurance.

Designation in will

8-123(1) A designation in an instrument purporting to be a will is not ineffective by reason only of the fact that:

- (a) the instrument is invalid as a will; or
- (b) the designation is invalid as a bequest under the will.

(2) Notwithstanding *The Wills Act, 1996*, a designation in a will is of no effect against a designation made later than the making of the will.

(3) If a designation is contained in a will and subsequently the will is revoked by operation of law or otherwise, the designation is revoked.

(4) If a designation is contained in an instrument that purports to be a will and the instrument, if it were valid as a will, would be revoked by operation of law or otherwise, the designation is revoked.

Trustee for beneficiary

8-124(1) An insured may, in a contract or by a declaration, appoint a trustee for a beneficiary and may alter or revoke the appointment by a declaration.

(2) A payment made by an insurer to a trustee for a beneficiary discharges the insurer to the extent of the amount of the payment.

- (b) if there is more than one surviving beneficiary, to the surviving beneficiaries in equal shares; or
- (c) if there is no surviving beneficiary, to the insured or the insured's personal representative.

(2) If two or more beneficiaries are designated otherwise than alternatively but no division of the insurance money is made, the insurance money is payable to them in equal shares.

(3) A beneficiary may disclaim the beneficiary's right to insurance money by filing notice in writing with the insurer at its head office in Canada.

(4) A notice of disclaimer filed pursuant to subsection (3) is irrevocable.

(5) Subsection (1) applies in the case of a disclaiming beneficiary or in the case of a beneficiary determined by a court to be disentitled to insurance money as if the disclaiming or disentitled beneficiary predeceased the person whose life is insured.

Enforcement of payment by beneficiary or trustee

8-126 A beneficiary may enforce for the beneficiary's own benefit, and a trustee appointed pursuant to section 8-124 may enforce as trustee, the payment of insurance money made payable to the beneficiary or trustee in the contract or by a declaration in accordance with the provisions of the contract or declaration, but the insurer may set up any defence that it could have set up against the insured or the insured's personal representative.

Insurance money not part of estate

8-127(1) If a beneficiary is designated, any insurance money and any other prescribed money that is payable to the beneficiary is not, from the time of the happening of the event on which the insurance money or other money becomes payable, part of the estate of the insured and is not subject to the claims of the creditors of the insured.

(2) While there is in effect a designation in favour of any one or more of a spouse, child, grandchild or parent of a person whose life is insured, the money mentioned in subsection (1) and the rights and interests of the insured in those moneys and in the contract are exempt from civil enforcement proceedings pursuant to *The Enforcement of Money Judgments Act* or execution or seizure pursuant to any other law in force in Saskatchewan.

8-161 In the case of a contract of group insurance or of creditor's group insurance, an insurer shall set out the following in the policy:

- (a) the name or a sufficient description of the insured;

Termination of group contract

8-162(1) Subject to subsection (2), if a contract of group insurance or a benefit provision in a contract of group insurance is terminated, the insurer continues, as though the contract or benefit provision had remained in full force and effect, to be liable to pay to or with respect to a group person insured under the contract benefits relating to all or any of the following arising from an accident or sickness that occurred before the termination of the contract or benefit provision:

- (a) loss of income because of disability;
- (b) death;
- (c) dismemberment; or

(3) Notwithstanding subsection (1), an insurer does not remain liable under a contract or benefit provision described in that subsection to pay a benefit for loss of income for the recurrence of a disability after both of the following occur:

- (a) the termination of the contract or benefit provision;
- (b) a continuous period of six months, or any longer period provided in the contract, during which the group person insured was not disabled.

(4) An insurer that is liable pursuant to subsection (1) to pay a benefit for loss of income as a result of the disability of a group person insured is not liable to pay the benefit for any period longer than the portion remaining, at the date of the disability, of the maximum period provided under the contract for the payment of benefits for loss of income with respect to a disability of the group person insured.

Replacement of group contract

8-163(1) If a contract of group insurance, in this subsection and subsection (2) called the “replacement contract”, is entered into within 31 days after the termination of another contract of group insurance, in this subsection and subsection (2) called the “other contract”, and that replacement contract insures some or all of the same group persons insured as the other contract:

(a) the replacement contract is deemed to provide that any person who was insured under the other contract at the time of its termination is insured under the replacement contract from and after the termination of the other contract if:

(i) the insurance on that person under the other contract terminated by reason only of the termination of the other contract; and

(ii) the person is a member of a class eligible for insurance under the replacement contract;

(b) every person who was insured under the other contract and who is insured under the replacement contract is entitled to receive credit for any deductible earned before the effective date of the replacement contract; and

(c) no person who was insured under the other contract at the time of its termination may be excluded from eligibility under the replacement contract by reason only of not being actively at work on the effective date of the replacement contract.

(2) Notwithstanding subsection 8-162(1), in the circumstances mentioned in subsection (1), if the replacement contract provides that all benefits required to be paid pursuant to subsection 8-162(1) by the insurer of the other contract are to be paid instead under the replacement contract, the insurer of the other contract is not liable to pay those benefits.

Particulars in group certificate

8-164(1) In the case of a contract of group insurance or of creditor’s group insurance, an insurer shall issue, for delivery by the insured to each group person insured or debtor insured, a certificate or other document in which are set out the following:

(a) the name of the insurer and a sufficient identification of the contract;

(b) the amount, or the method of determining the amount, of insurance on the group person insured or debtor insured and on any person insured;

(c) the circumstances in which the insurance terminates and the rights, if any, on termination of the insurance of:

(i) the group person insured; or

 - (g) the rights of the group person insured, the debtor insured or a claimant under the contract to obtain copies of documents pursuant to subsection 8-159(5) or (6).
- (2) This section does not apply to:
- (a) a contract of blanket insurance; or
 - (b) a contract of group insurance of a non-renewable type issued for a term not exceeding six months.

Exclusions, exceptions or reductions

8-165(1) Subject to section 8-166 and except as otherwise provided in this section, the insurer shall set out in the policy every exclusion, exception or reduction affecting the amount payable under the contract, either in the provision affected by the exclusion, exception or reduction or under a heading such as "Exclusions", "Exceptions" or "Reductions".

(2) If an exclusion, exception or reduction affects only one provision in the policy, it must be set out in that provision.

(3) If an exclusion, exception or reduction is contained in an endorsement, insertion or rider, the endorsement, insertion or rider must, unless it affects all amounts payable under the contract, make reference to the provisions in the policy affected by the exclusion, exception or reduction.

(4) This section does not apply to a contract made by a fraternal society.

Statutory Conditions

8-166 Subject to section 8-167:

- (a) the Statutory Conditions set out in this section are deemed to be part of every contract other than a contract of group insurance or of creditor's group insurance, and must be printed on or attached to the policy forming part of the contract under the heading "Statutory Conditions"; and
- (b) no variation or omission of or addition to any Statutory Condition not authorized by section 8-167 is binding on the insured.

Statutory Conditions

The contract

1(1) The application, this policy, any document attached to this policy when issued, and any amendments to the contract agreed on in writing after the policy is issued, constitute the entire contract, and no agent has authority to change the contract or waive any of its provisions.

(2) The insurer shall, on request, provide to the insured or to a claimant under the contract a copy of the application.

Material facts

2 No statement made by the insured or a person insured at the time of application for the contract may be used in defence of a claim under or to avoid the contract unless it is contained in the application or any other written statements or answers provided as evidence of insurability.

Changes in occupation

3(1) If after this policy is issued the person insured engages for compensation in an occupation that is classified by the insurer as more hazardous than that stated in the contract, the liability under the contract is limited to the amount that the premium paid would have purchased for the more hazardous occupation according to the limits, classification of risks and premium rates in use by the insurer at the time the person insured engaged in the more hazardous occupation.

(2) If the person insured changes occupation from that stated in the contract to an occupation classified by the insurer as less hazardous and the insurer is so advised in writing, the insurer must either:

- (a) reduce the premium rate; or
- (b) issue a policy for the unexpired term of the contract at the lower rate of premium applicable to the less hazardous occupation;

according to the limits, classification of risks and premium rates used by the insurer at the date of receipt of advice of the change in occupation, and must refund to the insured the amount by which the unearned premium on the contract exceeds the premium at the lower rate for the unexpired term.

Termination of insurance

4(1) The contract may be terminated:

- (a) by the insurer giving to the insured 15 days' notice of termination by registered mail or five days' written notice of termination personally delivered; or
- (b) by the insured at any time on request.

(2) If the contract is terminated by the insurer:

- (a) the insurer must refund the excess of premium actually paid by the insured over the prorated premium for the expired time, but in no event may the prorated premium for the expired time be less than any minimum retained premium specified in the contract; and
- (b) the refund must accompany the notice.

(3) If the contract is terminated by the insured, the insurer must refund as soon as is practicable the excess of premium actually paid by the insured over the short rate premium calculated to the date of receipt of the notice according to the table in use by the insurer at the time of termination.

(4) The 15-day period mentioned in clause (1)(a) of this condition starts to run on the day following the day the registered letter or notification of it is delivered to the insured's postal address.

Notice and proof of claim

5(1) The insured or a person insured, or a beneficiary entitled to make a claim, or the agent of any of them, must:

(a) give written notice of claim to the insurer not later than 30 days after the date a claim arises under the contract on account of an accident, sickness or disability:

(i) by delivery of the notice, or by sending it by registered mail, to the head office or chief office of the insurer in the province; or

(ii) by delivery of the notice to an authorized agent of the insurer in the province;

(b) within 90 days after the date a claim arises under the contract on account of an accident, sickness or disability, provide to the insurer such proof as is reasonably possible in the circumstances of:

(i) the happening of the accident or the start of the sickness or disability;

(ii) the loss caused by the accident, sickness or disability;

(iii) the right of the claimant to receive payment;

(iv) the claimant's age; and

(v) if relevant, the beneficiary's age; and

(c) if so required by the insurer, provide a satisfactory certificate as to the cause or nature of the accident, sickness or disability for which claim is made under the contract and, in the case of sickness or disability, its duration.

(2) Failure to give notice of claim or provide proof of claim within the time required by this condition does not invalidate the claim if:

(a) the notice or proof is given or provided as soon as is reasonably possible, and not later than the limitation period set out in *The Limitations Act* after the date of the accident or the date a claim arises under the contract on account of sickness or disability, and it is shown that it was not reasonably possible to give the notice or provide the proof in the time required by this condition; or

(b) in the case of the death of the person insured, if a declaration of presumption of death is necessary, the notice or proof is given or provided no later than the limitation period set out in *The Limitations Act* after the date a court makes the declaration.

Insurer to provide forms for proof of claim

6 The insurer must provide forms for proof of claim within 15 days after receiving notice of claim, but if the claimant has not received the forms within that time the claimant may submit his or her proof of claim in the form of a written statement of the cause or nature of the accident, sickness or disability giving rise to the claim and of the extent of the loss.

Rights of examination

7 As a condition precedent to recovery of insurance money under the contract:

- (a) the claimant must give the insurer an opportunity to examine the person insured when and as often as it reasonably requires while a claim is pending;
- (b) in the case of death of the person insured, the insurer may require an autopsy, subject to any law of the applicable jurisdiction relating to autopsies; and
- (c) the insurer shall bear the costs of any examination or autopsy and shall provide copies of reports of any examination or autopsy to the insured or the insured's representative.

When money payable other than for loss of time

8 All money payable under the contract, other than benefits for loss of time, must be paid by the insurer within 60 days after it has received proof of claim.

When loss of time benefits payable

9 The initial benefits for loss of time must be paid by the insurer within 30 days after it has received proof of claim, and payment must be made after that date in accordance with the terms of the contract but not less frequently than once in each succeeding 60 days while the insurer remains liable for the payments if the person insured, when required to do so, provides proof of continuing sickness or disability before payment.

Omission or variation of Statutory Conditions

8-167(1) If a Statutory Condition set out in section 8-166 is not applicable to the benefits provided by a contract, it may be omitted from the policy or varied so that it will be applicable.

(2) Statutory Conditions 3 and 7 set out in section 8-166 may be omitted from the policy if the contract does not contain any provisions respecting the matters dealt with in those Statutory Conditions.

(3) Statutory Condition 4 set out in section 8-166 must be omitted from the policy if the contract does not provide that it may be terminated by the insurer before the expiry of any period for which a premium has been accepted.

(4) Statutory Conditions 3, 4 and 7 set out in section 8-166 and, subject to the restriction in subsection (5), Statutory Condition 5, may be varied, but if by reason of the variation the contract is less favourable to the insured, a person insured or a beneficiary than it would have been if the condition had not been varied, the Statutory Condition is deemed to be included in the policy in the form in which it appears in section 8-166.

(5) Statutory Condition 5(1)(a) and (b) set out in section 8-166 must not be varied in policies providing benefits for loss of time.

(6) Statutory Conditions 8 and 9 set out in section 8-166 may be varied by shortening the periods set out in them.

(7) In the case of a contract made by a fraternal society:

(a) the following provision shall be printed on every policy in substitution for Statutory Condition 1:

The contract

1 This policy, the Act or instrument of incorporation of the fraternal society, its constitution, bylaws and rules, and the amendments made from time to time to any of them, the application for the contract and the medical statement of the applicant constitute the entire contract, and no agent has authority to change the contract or waive any of its provisions; and

(b) Statutory Condition 4(1)(b) and (3) set out in section 8-166 must not be printed on the policy.

Notice of Statutory Conditions

8-168 In the case of a policy of a non-renewable type issued for a term of six months or less or in relation to a ticket of travel, the Statutory Conditions need not be printed on or attached to the policy if the policy contains a prescribed notice in the prescribed form.

Termination for non-payment

8-169(1) If a policy, or a certificate evidencing the renewal of a contract, is delivered to the insured and the initial premium due under the contract or renewal has not been fully paid:

(a) the contract or the renewal of it evidenced by the policy or certificate is as binding on the insurer as if the premium had been paid even if the policy or certificate was delivered by an officer or an agent of the insurer who did not have authority to deliver it; and

(b) the contract may be terminated for non-payment of the premium by the insurer giving 15 days' notice of termination by registered mail or five days' written notice of termination personally delivered.

(2) If a premium mentioned in subsection (1) has not been fully paid, the insurer may do one or both of the following:

(a) sue for any unpaid premium;

(b) if there is a claim under the contract, except in the case of a contract of group insurance or of creditor's group insurance, deduct the amount of the unpaid premium from the amount for which the insurer is liable under the contract.

- (3) If a premium, other than a premium mentioned in subsection (1), is not fully paid at the time it is due, the premium may be paid within the longer of:
 - (a) a period of grace of 30 days after the date the premium is due; and
 - (b) the period of grace within which the premium may be paid, if any, specified in the contract.
- (4) If the event on which the insurance money becomes payable occurs during the period of grace and before the overdue premium is paid, the contract is deemed to be in effect as if the premium had been paid at the time it was due.
- (5) Except in the case of a contract of group insurance or of creditor's group insurance, the amount of the overdue premium pursuant to subsection (4) may be deducted from the amount for which the insurer is liable under the contract.
- (6) The 15-day period mentioned in clause (1)(b) starts to run on the day following the day the registered letter or notification of it is delivered to the insured's postal address.
- (7) Subsections (1), (2) and (6) do not apply to a contract made by a fraternal society.

Subdivision 3
Formation of Contract

Lack of insurable interest

- 8-170(1)** Subject to subsection (2), if at the time a contract would otherwise take effect the insured has no insurable interest, the contract is void.
- (2) A contract is not void for lack of insurable interest:
 - (a) if it is a contract of group insurance; or
 - (b) if the person insured has consented in writing to the insurance.
- (3) If the person insured is under the age of 16 years, consent to the insurance may be given by one of the person's parents or legal guardians or a person standing in the place of a parent to the person.

Persons insurable

- 8-171(1)** Without restricting the meaning of "**insurable interest**", a primary person is a person who has an insurable interest:
 - (a) in the case of a primary person who is an individual, in his or her own life or well-being or both and the lives or well-being or both of:
 - (i) the primary person's child or grandchild;
 - (ii) the primary person's spouse;
 - (iii) a person on whom the primary person is wholly or partly dependent for, or from whom the primary person is receiving, support or education;
 - (iv) an employee of the primary person; and
 - (v) a person in the duration of whose life the primary person has a pecuniary interest; and

- (b) in the case of a primary person that is not an individual, the lives or well-being or both of:
 - (i) a director, officer or employee of the primary person; and
 - (ii) a person in the duration of whose life or well-being or both the primary person has a pecuniary interest.
- (2) If a primary person places insurance on the life or well-being or both of any person set out in clause (1)(a), the insurer shall send a notice in writing to those persons who are insured:
 - (a) at the time the insurance is placed, advising of the particulars of the insurance; and
 - (b) when any material changes are made to the insurance, advising of the particulars of the changes, including assignment or cancellation of the contract.

Termination of contract by court

- 8-172(1)** On application to the court by a person whose life or well-being or both are insured under a contract, the court may make the orders the court considers just in the circumstances if:
- (a) the person whose life or well-being or both are insured under a contract is someone other than the insured; and
 - (b) the person mentioned in clause (a) reasonably believes that the person's life or health might be endangered by the insurance on that person's life or well-being or both continuing under that contract.
- (2) Without limiting subsection (1), the orders that the court may make pursuant to subsection (1) include:
- (a) an order that the insurance on that person under the contract be terminated in accordance with the terms of the contract other than any terms respecting notice of termination; and
 - (b) an order that the amount of insurance under the contract be reduced.
- (3) An application pursuant to subsection (1) must be made on at least 30 days' notice to the insured, the beneficiary, the insurer and any other person the court considers to have an interest in the contract.
- (4) Notwithstanding subsection (3), if the court considers it just to do so, it may dispense with the notice in the case of:
- (a) a person other than the insurer; or
 - (b) if the contract is a contract of group insurance or of creditor's group insurance, the insured.
- (5) An order made pursuant to subsection (1) binds any person having an interest in the contract.

Disclosure of material facts

8-173(1) An applicant for insurance and a person to be insured shall each disclose to the insurer in the application, on a medical examination, if any, and in any written statements or answers provided as evidence of insurability, every fact within the applicant's or person's knowledge that is material to the insurance and is not disclosed by the other.

(2) Subject to sections 8-174 and 8-177 and subsection (3), a failure to disclose, or a misrepresentation of, a fact mentioned in subsection (1) renders the contract voidable by the insurer.

(3) A failure to disclose, or a misrepresentation of, a fact mentioned in subsection (1) relating to evidence of insurability with respect to an application for any addition, increase or change mentioned in clauses (a) to (c) renders the contract voidable by the insurer, but only in relation to the addition, increase or change:

- (a) additional coverage under a contract;
- (b) an increase in insurance under a contract; or
- (c) any other change to insurance after the policy is issued.

(4) In the case of a contract of group insurance, a failure to disclose or a misrepresentation of that fact with respect to a group person insured or a person insured under the contract does not render the contract voidable, but if evidence of insurability is specifically requested by the insurer, the insurance with respect to that person is, subject to section 8-174, voidable by the insurer.

Failure to disclose

8-174 (1) Subject to section 8-177 and subsections (2) to (4), if a contract, including renewals of the contract, or an addition, increase or change mentioned in subsection 8-173(3) has been in effect for two years with respect to a person insured, a failure to disclose, or a misrepresentation of, a fact required by section 8-173 to be disclosed with respect to that person does not, in the absence of fraud, render the contract voidable.

(2) In the case of a contract of group insurance or of creditor's group insurance, a failure to disclose, or a misrepresentation of, a fact required by section 8-173 to be disclosed with respect to a group person insured, a person insured or a debtor insured does not render the contract voidable, but:

- (a) if the failure to disclose or misrepresentation relates to evidence of insurability specifically requested by the insurer at the time of application for the insurance with respect to the person, the insurance with respect to that person is voidable by the insurer; and
- (b) subject to subsection (3), if the failure to disclose or misrepresentation relates to evidence of insurability specifically requested by the insurer at the time of application for an addition, increase or change mentioned in subsection 8-173(3) with respect to the person, the addition, increase or change with respect to that person is voidable by the insurer.

(3) Subsection (2) does not apply if the insurance, addition, increase or change has been in effect for two years during the lifetime of that person, and, in that case, the insurance, addition, increase or change is not, in the absence of fraud, voidable.

(4) If a claim arises from a loss incurred or a disability beginning before a contract, including renewals of it, has been in effect for two years with respect to the person with respect to whom the claim is made, subsection (1) does not apply to that claim.

(5) If a claim arises from a loss incurred or a disability beginning before the addition, increase or change has been in effect for two years with respect to the person respecting whom the claim is made, subsection (1) does not apply to that claim.

Reinstatement of contract

8-175 Sections 8-173 and 8-174 apply, with any necessary modification, to a failure to disclose or a misrepresentation at the time of reinstatement of a contract, and the period of two years mentioned in section 8-174 starts to run with respect to a reinstatement from the date of reinstatement.

Pre-existing conditions

8-176 If a contract contains a general exclusion, exception or reduction with respect to pre-existing disease or physical conditions and the group person insured, person insured or debtor insured suffers or has suffered from a disease or physical condition that existed before the date on which the contract came into force with respect to that person and the disease or physical condition is not by name or specific description excluded from the insurance respecting that person:

- (a) the prior existence of the disease or physical condition is not, except in the case of fraud, available as a defence against liability in whole or in part for a loss incurred or a disability beginning after the contract, including renewals of it, has been in effect continuously for two years immediately before the date of loss incurred or commencement of disability with respect to that person; and
- (b) the prior existence of the disease or physical condition is not, except in the case of fraud, available as a defence against liability in whole or in part if the disease or physical condition was disclosed in the application for the contract.

Misstatement of age

8-177(1) Subject to subsections (2) and (3), if the age of the person insured has been misstated to the insurer, then, at the option of the insurer, either:

- (a) the benefits payable under the contract may be increased or decreased to the amount that would have been provided for the same premium at the correct age; or
- (b) the premium may be adjusted in accordance with the correct age as of the date the person insured became insured.

(2) In the case of a contract of group insurance or of creditor's group insurance, if there is a misstatement to the insurer of the age of a group person insured, person insured or debtor insured, the provisions, if any, of the contract with respect to age or misstatement of age apply, but in no case shall the provisions, if any, disadvantage the group person insured, person insured or debtor insured to an extent greater than that permitted by clause (1)(a) or (b).

(3) If the age of a person affects the commencement or termination of the insurance, the correct age governs.

Subdivision 4 **Beneficiaries**

Designation of beneficiary

8-178(1) Subject to subsection (4), an insured may, in a contract or by a declaration, designate the insured, the insured's personal representative or a beneficiary as one to whom or for whose benefit insurance money is to be payable.

(2) Subject to subsection 8-179(1), an insured may by declaration alter or revoke a designation mentioned in subsection (1).

(3) A designation in favour of the "heirs", "next of kin" or "estate" of an insured, or the use of words having similar meaning in a designation, is deemed to be a designation of the personal representative of the insured.

(4) Subject to the regulations, an insurer may restrict or exclude in a contract the right of an insured to designate persons to whom or for whose benefit insurance money is to be payable.

(5) A contract of group insurance replacing another contract of group insurance on some or all of the group persons insured under the replaced contract may provide that a designation applicable to the replaced contract of a group person insured, a group person insured's personal representative or a beneficiary as one to whom or for whose benefit insurance money is to be payable is deemed to apply to the replacing contract.

(6) If a contract of group insurance replacing another contract of group insurance provides that a designation mentioned in subsection (5) is deemed to apply to the replacing contract:

(a) each certificate with respect to the replacing contract must indicate that the designation under the replaced contract has been carried forward and that the group person insured should review the existing designation to ensure it reflects the group person insured's current intentions; and
