Such assessment shall be undertaken at the physician's own expense; and shall be in a form approved by the Council.
- (d) a provisional licence issued on the basis of a physician's successful completion of an assessment, that, in the opinion of the Council, demonstrates satisfactory skills and knowledge in the practice of medicine, or a provisional licence issued on the basis that the physician has obtained CCFP or been ruled eligible for CCFP on the basis that the physician's training and certification is equivalent to the training and certification required for Canadian-trained physicians granted CCFP may be issued subject to restrictions or conditions, which shall be stated in the licence. Such restrictions may include, but are not limited to:
- (i) a restriction that the physician practise only under the supervision of a named member or members approved by the Council;
