3(1) Clause 3(1)(a) is amended by striking out “utility wheat” and substituting “extra strong red spring wheat”.

(2) Subsection 3(2) is repealed and the following substituted:

“(2) For the purposes of clause 2(h) of the Act, ‘operator of a farm’ means the person who is actively engaged in the production of the insured crop and who is legally, operationally and financially independent of all other insured persons.

“(3) In determining whether a person is legally independent for the purposes of subsection (2), the corporation may consider whether that person has access as of right to the land on which the insured crop is grown, by virtue of ownership, rental agreement or formal farm operating agreement.

“(4) In determining whether a person is operationally independent for the purposes of subsection (2), the corporation may consider the following factors:

- (a) whether the person makes critical farming decisions respecting the insured crop;
- (b) whether the person is responsible to ensure that day-to-day operations are completed respecting the insured crop;
- (c) whether the person has access to separate storage facilities;
- (d) whether the person has access to adequate machinery.

“(5) In determining whether a person is financially independent for the purposes of subsection (2), the corporation may consider the following factors:

- (a) whether the person is able to file separate income and expense statements for income tax purposes;
- (b) whether the person maintains separate farm accounting records;
- (c) whether the person maintains a separate bank, credit union or trust company account;
- (d) whether the person has a separate Goods and Services Tax number;
- (e) whether the person has a financial interest in the insured crop”.

Section 6 amended

4 Clause 6(a) is repealed and the following substituted:

“(a) on or before June 25 or a date set by the corporation in each year, a seeded acreage report declaring:

- (i) the insured crops seeded in which the applicant or insured has an interest;
- (ii) the total acres seeded to each insured crop in which the applicant or insured has an interest at the time of seeding, and the number of acres seeded on summerfallow, stubble or irrigated acres;
- (iii) total acres in summerfallow;
- (iv) an estimate of all production of insured crops in storage in the current year;

- (v) total acres seeded to crops that are not insured crops; and
- (vi) any other relevant information the corporation may require respecting the matters mentioned in subclauses (i) to (v)".

Establishment benefit

“11.3(1) The corporation may determine from time to time the premium payable and the indemnity payable for the establishment benefit for pure perennial grasses, alfalfa, alfalfa-grass mixtures, spring-seeded annual crops and fall-seeded annual crops.

(2) The establishment benefit for pure perennial grasses, alfalfa and alfalfa-grass mixtures is additional coverage, and an applicant or insured who wishes to elect it must do so on or before April 30 in the year for which the election is made.

(3) An election that has been made pursuant to subsection (2) remains in force for each subsequent year unless the insured provides notice to the corporation, in a form acceptable to the corporation, on or before a date set by the corporation”.

Section 11.4 amended

8 Subsection 11.4(8) is repealed and the following substituted:

“(8) For the purposes of obtaining D in subsection (7):

(a) if the corporation determines that less than 5% of an acre of the crop has been damaged by hail, 0% of that acre is deemed to have been damaged; and

(b) if the corporation determines that 85% or more of an acre of the crop has been damaged, 100% of that acre is deemed to have been damaged”.

New section 28

9 Section 28 is repealed and the following substituted:

Actual yield

“28 Subject to any other provision of these regulations, for the purposes of these regulations and the contract, **‘actual yield’** means the yield of a crop insured under a contract as determined by the corporation, and includes:

(a) all threshed grain from the insured acreage;

(b) loss credits due to uninsurable causes, if any, established under the terms of the contract; and

(c) any amount, determined by the corporation, of potential production on acreage abandoned or put to another use”.
