(2) On an application pursuant to subsection (1), the producer must provide the following to the minister:

- (a) if the producer is an individual:
 - (i) the name and address of the producer; and
 - (ii) evidence, satisfactory to the minister, of the producer's age and Saskatchewan residency;

- (a) the assistant Deputy Minister of the department responsible for the administration of the program; or
- (b) the director of the branch within that department that is responsible for the administration of the program.

(4) The guarantee of an eligible loan by the Minister of Finance expires 10 years after the date determined pursuant to subsection 6(1).

(5) A producer shall only use a guaranteed loan to construct or expand a feedlot that is controlled and operated by the producer.

Repayment of guaranteed loans

6(1) Every producer who receives a guaranteed loan shall repay that loan to the lender with interest and in instalments, beginning on the date determined by the lender and approved by the minister.

(2) On approval by the minister, a lender may establish the frequency of instalment payments on a guaranteed loan made to a producer.

(3) Notwithstanding subsections (1) and (2), interest shall accrue from the date on which the guaranteed loan is advanced to the producer, and the accrued interest to the first payment date shall be paid periodically by the producer to the lender in accordance with the terms of the loan agreement.

(4) Commencing on the date of the first payment on the guaranteed loan, a producer shall repay the principal amount of the producer's guaranteed loan with interest:

- (a) in instalments determined by the lender pursuant to subsection (2); and
- (b) in full by the date set out in the loan agreement.

Reporting by lenders

7 With respect to every guaranteed loan, the lender shall provide to the minister, within 30 days after the date a payment is due on the guaranteed loan but not less than quarterly, or by any other date determined by the minister, a written report that includes the following information:

9(1) The maximum amount of the guarantee that may be provided on an eligible loan pursuant to the program is an amount equal to the lesser of:

- (a) subject to subsection (2), 25% of the sum of:
 - (i) the amount outstanding on the loan at the time of default; and
 - (ii) the accrued interest as of the time that payment is to be made on the guarantee; and
- (b) \$750,000.

(2) The minister may increase the percentage of accrued interest to be included for the purposes of subclause (1)(a)(ii) if the minister is satisfied that the increase will facilitate continued collection by the lender on an eligible loan in default that may result in reducing the amount of the guarantee to be paid by the Minister of Finance.

(3) For the purposes of subsection (1), the time of default with respect to an eligible loan is the date determined by the minister and the lender when there are unresolved arrears.

Subrogation

10(1) If a producer defaults in repaying an amount due pursuant to a guaranteed loan and the Minister of Finance makes payment to a lender pursuant to a guaranteed loan on which a producer has defaulted, the Minister of Finance is subrogated with respect to that guaranteed loan:

- (a) to all rights of the lender under any security or negotiable instrument given to the lender by the producer;
- (b) to any action that the lender may have against the producer or any other person; and
- (c) to any action that the producer may have against any person whose acts or omissions may have caused or contributed to the producer's default.

(2) If the Minister of Finance makes a payment pursuant to a guarantee due to a default by a producer:

- (a) the payment does not affect the liability of or the security given by the producer pursuant to the guaranteed loan; and
- (b) notwithstanding that the payment was made pursuant to the guarantee, the liability of and the security given by the producer remain in effect and may be enforced by the Minister of Finance against the producer.

(3) Notwithstanding subsections (1) and (2), if the Minister of Finance considers it to be in the public interest, the Minister of Finance may enter into an agreement with a lender who has submitted a claim pursuant to a guarantee, and that agreement may:

- (a) provide:
 - (i) that the lender may receive payment of any portion of the amount pursuant to the guarantee; and

(ii) that the lender is entitled to exercise its rights under any security or negotiable instrument given to the lender by the producer and to any action that the lender may have against the producer or any other person; and

(b) contain any other terms and conditions that may be agreed to.
