CHAPTER E-4.1 REG 1*The Education Property Tax Credit Act*

Section 6

Order in Council 528/2005, dated June 21, 2005

(Filed June 22, 2005)

Short title

1 These regulations may be cited as *The Education Property Tax Credit Regulations*.

Interpretation

2(1) In these regulations:

- (a) **“Act”** means *The Education Property Tax Credit Act*;
- (b) **“form”** means a form set out in the Appendix.

(2) In these regulations and the Act:

- (a) **“eligible property”** means any property that is subject to property taxation and is shown on a municipality’s tax roll when the credit is applied but does not include any property for which provincial or federal grants or payments are paid in lieu of property taxes;
- (b) **“tax notice”** means the notice:
 - (i) required pursuant to section 282 of *The Urban Municipality Act, 1984*, section 342 of *The Rural Municipality Act, 1989*, section 237 of *The Cities Act*, and section 233 of *The Northern Municipalities Act*, as the case may be; or
 - (ii) as defined in *The Lloydminster Charter*.

Credit calculation

3(1) Subject to subsection (2), the credit will be applied once in 2005 on the day that the education property tax is levied on an eligible property.

(2) The credit shall be calculated after mill rate factors, cancellations and abatements have been applied to the education property tax, if applicable.

(3) Unless a gross error has occurred in the calculation of the credit, the credit that appears on the tax notice will not be adjusted or recalculated for any reason, including, but not limited to:

- (a) supplementary assessments;
- (b) assessment appeal decisions;
- (c) tax phase-in;
- (d) corrections of assessment errors;
- (e) property tax cancellations, abatements and compromises; and
- (f) assessment audit results.

Amount of credit

4 Subject to section 5, the credit for 2005 is 8%.

Credit limit

5(1) In this section, “**capped property**”:

(a) means the following classes of property as prescribed in regulations respecting the assessment and taxation of property within municipalities:

- (i) Multi-unit Residential;
- (ii) Commercial and Industrial;
- (iii) Elevators;
- (iv) Railway Rights of Way and Pipeline;

(b) includes multiple-use property; and

(c) does not include any part of a parcel as defined in *The Condominium Property Act, 1993* that is used for a residential purpose.

(2) The maximum amount of the credit is \$2,500 for any capped property:

(a) as designated on a municipality’s tax roll; or

(b) in the case of the Saskatchewan portion of the City of Lloydminster, as designated in accordance with the tax classification set by the Province of Saskatchewan for the purpose of determining equivalency assessments pursuant to *The Lloydminster Charter*.

(3) The credit for a multiple-use property is calculated based on the total education property taxes levied for that property whether or not the property is entered more than once on a municipality’s tax roll.

Tax notices

6 For the purposes of clause 3(c) of the Act, municipalities shall, on the tax notice:

- (a) state the amount of the credit;
- (b) identify the credit as the “Provincial Education Property Tax Credit”; and
- (c) identify the amount of education property tax payable after the credit has been applied.

Grants to school divisions

7(1) For the purposes of section 4 of the Act, if the minister makes a grant to a school division, the amount shall be an amount equal to the total amount of credits provided by municipalities within the boundaries of that school division pursuant to section 3 of the Act.

(2) To apply for a grant, a school division must complete and submit Form A together with a copy of Form B to the minister by October 31, 2005.

(3) The minister may make an advance payment on a grant to a school division, based on its 2005 education property tax estimate, in any amount that is less than 8% of that estimate.

(4) To apply for an advance payment on a grant, a school division must apply in a form and manner satisfactory to the minister by June 30, 2005.

(5) If a school division receives an advance payment on a grant that exceeds the amount the school division is entitled to receive for the grant, the overpayment is a debt due to the Crown in right of Saskatchewan and may be recovered in any manner authorized by *The Financial Administration Act, 1993* or in any other manner authorized by law.

Municipal credit reports to school divisions

8 For the purposes of clause 3(d) of the Act, each municipality shall provide its written report in Form B within 30 days after issuing tax notices.

9(1) The minister may make a payment or grant to any municipality that does not utilize computerized tax roll software:

- (a) based on the number of separately identified taxable properties shown on the municipality's tax roll;
 - (b) at a rate of \$2.50 for each of those properties; and
 - (c) in an amount that is not less than \$100 and not greater than \$500.
- (2) To apply for the payment or grant mentioned in subsection (1), a municipality shall apply to the minister using Form C by September 30, 2005.
