(3) Subject to subsection (4), an application for a support payment pursuant to these regulations must be received by the minister or, in the case of an application that is mailed, be postmarked, on or before the application deadline date.

(4) The minister may consider an application that is postmarked after the application deadline date if the minister is satisfied that extenuating circumstances exist making it unreasonable or impossible for the application to have been postmarked on or before that date.

Approval of application

9 If the minister is satisfied that an applicant meets the requirements set out in these regulations and has complied with the regulations, the minister may approve payment of a support payment to that applicant.

Calculation of support payment

10(1) Subject to subsection (2), the support payment that may be paid to an eligible applicant is the amount P calculated in accordance with the following formula:

$$P = (L1 \times \$60) + (L2 \times \$50) + (L3 \times \$25) + (L4 \times \$12.50) + (L5 \times \$10)$$

where:

L1 is the number of eligible livestock that are horses that were owned by the applicant as of January 1, 2010 and that are normally grazed on land in the designated region during the grazing season;

L2 is the number of eligible livestock that are beef cattle and bison that were owned by the applicant as of January 1, 2010 and that are normally grazed on land in the designated region during the grazing season;

L3 is the number of eligible livestock that are elk that were owned by the applicant as of January 1, 2010 and that are normally grazed on land in the designated region during the grazing season;

L4 is the number of eligible livestock that are deer, llamas, caribou and reindeer that were owned by the applicant as of January 1, 2010 and that are normally grazed on land in the designated region during the grazing season; and

L5 is the number of eligible livestock that are sheep, goats and alpacas that were owned by the applicant as of January 1, 2010 and that are normally grazed on land in the designated region during the grazing season.

(2) No support payment is to be paid to an applicant if the amount of the support payment is less than \$50.

Duplicate applications

11(1) Not more than one support payment is to be made with respect to any eligible livestock.

(2) If the minister receives more than one application for any eligible livestock, the minister shall determine which application, if any, to accept.

Conditions of program

12(1) As a condition of participating in the program and receiving a support payment, an applicant shall:

- (a) grant access, at any reasonable time, to land on which the applicant conducts the applicant's livestock operations to any persons designated by the minister to verify information required to substantiate the applicant's eligibility or the amount of a support payment that may be paid to the applicant or to verify the applicant's compliance with these regulations;
 - (b) consent to any other person, agency, organization, association, institution or body releasing information to the minister respecting the applicant's livestock operations; and
 - (c) provide to the minister, on the minister's request and within the period set by the minister, the applicant's income tax records for one or more years, or any other information that the minister may require, to verify the applicant's eligibility or the amount of a support payment that may be paid to the applicant or to verify the applicant's compliance with these regulations.
- (2) No applicant shall fail to comply with any condition set out in subsection (1).
- (3) No person shall supply any false or misleading information to the minister on any application or in response to any request for information from the minister.

Overpayments

13(1) The minister may declare all or any portion of a support payment made to an eligible applicant pursuant to these regulations to be an overpayment if the minister is satisfied that:

- (a) the applicant has knowingly made a false or misleading statement with respect to a material fact on any form or in any information or document provided to the minister pursuant to these regulations;
 - (b) the applicant has knowingly omitted to make a statement or to provide any information or document if the omission results in a statement with respect to a material fact being misleading; or
 - (c) the applicant has failed to comply with these regulations.
- (2) If the minister declares all or any portion of a support payment to be an overpayment, the eligible applicant shall pay interest on the amount of the support payment that is declared to be an overpayment commencing on the 30th day after the date of the declaration at the rate equal to the sum of:
- (a) the prime lending rate of the bank holding Saskatchewan's general revenue fund; and
 - (b) 2%.
- (3) If the minister declares all or any portion of a support payment to be an overpayment, the amount of the overpayment and any interest to be paid pursuant to subsection (2) is deemed to be a debt due and owing to the Government of Saskatchewan and may be recovered from the applicant in any manner authorized pursuant to *The Financial Administration Act, 1993* or in any other manner authorized by law.

Termination if moneys fully utilized

14(1) Notwithstanding any other provision of these regulations, if the minister determines that moneys in the account have been fully allocated, the minister may refuse to approve any application and the applicant is not eligible to receive any support payment with respect to that application.

(2) If the minister makes a determination pursuant to subsection (1), the minister may cause the effective date of the determination:

(a) to be posted on the website of the ministry over which the minister presides; and

(b) to be made public in any other manner that the minister considers appropriate.

(3) The effective date of the determination may be an earlier date than the date on which the minister makes public the effective date of the determination.

(4) The program is terminated on the effective date of the determination as made public by the minister.
