4. The Insurer, if satisfied that the initial determination made was incorrect, may in its sole discretion revise a determination made by the Insurer.
5. The Insurer shall complete any revision of a determination within 6 years after the initial determination.
6. The Insurer is not liable for the payment of damages, legal fees or other charges in connection with any disputed or reconsidered claim brought forward for reconsideration, whether the determination was confirmed, reversed, varied, found to be incorrect, or revised.

M. Misrepresentation or Misconduct

2. If, in the Insurer's opinion, the Producer has made a false or misleading statement to the Insurer, and the Producer has already received an Indemnity associated with that false or misleading statement, the Insurer may require that the Producer repay that Indemnity.
3. If any loss claimed by the Producer results from any false or misleading statement to the Insurer, the Insurer may, in its sole discretion, elect not to refund to the Producer any portion of the Premium.
