**Interpretation**

**2** In these regulations:

“**Act**” means *The Environmental Management and Protection Act, 2010*;

“**agricultural packaging product**” means a large, bulky, single-use bag, commonly known as a grain bag, made from plastic and used to protect and temporarily store grains, pulses, silage and other agricultural produce;

“**first seller**” means a person who:

(a) is a manufacturer, distributor, owner or licensee of intellectual property rights of an agricultural packaging product that is sold, offered for sale or otherwise distributed into or in Saskatchewan;

(b) is a vendor of an agricultural packaging product outside of Saskatchewan and who, as an ordinary part of his or her business, sells agricultural packaging products to consumers in Saskatchewan;

(c) imports agricultural packaging products into Saskatchewan for resale in Saskatchewan; or

(d) purchases agricultural packaging products outside of Saskatchewan for use in Saskatchewan;

“**product stewardship program**” means a program for the collection and recycling of waste agricultural packaging products;

“**waste agricultural packaging products**” means agricultural packaging products that the consumer no longer wants.

**Prescribed product**

**3** Agricultural packaging products are prescribed products for the purposes of clause 46(a) of the Act.

**Product stewardship program required**

**4(1)** No first seller shall fail to:

(a) operate a product stewardship program approved by the minister; or

(b) enter into an agreement with a person to operate, on the first seller’s behalf, a product stewardship program approved by the minister.

(2) No first seller who operates a product stewardship program shall fail to operate the product stewardship program in accordance with:

- (a) the program as approved by the minister; and
- (b) these regulations.

(3) No person who has entered into an agreement to operate a product stewardship program on a first seller's behalf shall fail to operate the product stewardship program in accordance with:

- (a) the program as approved by the minister; and
- (b) these regulations.

(4) No first seller who has entered into an agreement to have a product stewardship program operated on the first seller's behalf shall fail to ensure that the product stewardship program is operated in accordance with:

- (a) the program as approved by the minister; and
- (b) these regulations.

**Approval to operate product stewardship program**

5(1) A first seller who operates or intends to operate a product stewardship program, or a person who operates or intends to operate a product stewardship program on a first seller's behalf, shall:

- (a) apply to the minister for approval of the program, in a form acceptable to the minister; and
- (b) submit any additional information or material to the minister that the minister requests and considers relevant to the application.

(2) The minister shall not approve a product stewardship program unless the program description set out in the application:

- (a) contains details of the management structure of the program;
- (b) provides details respecting:
  - (i) the creation of an advisory committee to the operator of the product stewardship program;
  - (ii) the role of the advisory committee in relation to the operation of the program; and
  - (iii) the manner in which Saskatchewan interests will be represented on the advisory committee; and

(3) If the minister is satisfied that a proposed product stewardship program complies with the Act and these regulations and is otherwise in the public interest, the minister may approve the product stewardship program on any terms and conditions that the minister considers appropriate.

**Changes to product stewardship program**

**6** No person operating a product stewardship program shall make any changes to the program without obtaining the minister's prior written approval of the proposed changes.

**Amendment, suspension or cancellation of approvals**

**7(1)** Subject to subsection (2), if, in the minister's opinion, a product stewardship program is not being operated in accordance with the Act, these regulations or the terms and conditions of the approval, or if, in the minister's opinion, it is in the public interest to do so, the minister may:

- (a) amend the approval by imposing new or additional terms and conditions; or
- (b) suspend or cancel the approval.

(2) Before amending, suspending or cancelling an approval pursuant to subsection (1), the minister shall provide the person operating the product stewardship program with:

- (a) written notice of the minister's intended action and the reasons for that intended action; and
- (b) an opportunity to make written representations to the minister, within 30 days after the written notice mentioned in clause (a) is served or a longer period set by the minister, as to why the intended action should not be taken.

(3) The minister is not required to give an oral hearing to any person to whom a notice has been provided pursuant to subsection (2).

(4) After considering the representations mentioned in subsection (2), the minister shall issue a written decision and shall serve a copy of the decision on the person operating the product stewardship program.

(5) Notwithstanding subsection (2), if the minister considers that it is necessary in order to protect the public interest, the minister may immediately amend, suspend or cancel an approval without giving the person mentioned in subsection (2) an opportunity to make written representations, but the minister shall give that person an opportunity to make written representations within 15 days after the date on which the minister takes any of those actions.

**Annual reporting**

**8(1)** In this section, “**reporting period**” means the period commencing on January 1 in one year and ending on December 31 of that same year.

“ **Form 45-106F1 *Report of Exempt Distribution***

## **A. General Instructions**

### **1. Filing instructions**

An issuer or underwriter that is required to file a report of exempt distribution and pay the applicable fee must file the report and pay the fee as follows:

- In British Columbia – through BCSC eServices at <http://www.bcsc.bc.ca>.
- In Ontario - through the online e-form available at <http://www.osc.gov.on.ca>.
- In all other jurisdictions - through the System for Electronic Document Analysis and Retrieval (SEDAR) in accordance with National Instrument 13-101 *System for Electronic Document Analysis and Retrieval (SEDAR)* if required, or otherwise with the securities regulatory authority or regulator, as applicable, in the applicable jurisdictions at the addresses listed at the end of this form.

The issuer or underwriter must file the report in a jurisdiction of Canada if the distribution occurs in the jurisdiction. If a distribution is made in more than one jurisdiction of Canada, the issuer or underwriter may satisfy its obligation to file the report by completing a single report identifying all purchasers, and file the report in each jurisdiction of Canada in which the distribution occurs. Filing fees payable in a particular jurisdiction are not affected by identifying all purchasers in a single report.

In order to determine the applicable fee in a particular jurisdiction of Canada, consult the securities legislation of that jurisdiction.

### **2. Issuers located outside of Canada**

If an issuer located outside of Canada determines that a distribution has taken place in a jurisdiction of Canada, include information about purchasers resident in that jurisdiction only.

### **3. Multiple distributions**

An issuer may use one report for multiple distributions occurring within 10 days of each other, provided the report is filed on or before the 10th day following the first distribution date. However, an investment fund issuer that is relying on the exemptions set out in subsection 6.2(2) of NI 45-106 may file the report annually in accordance with that subsection.

### **4. References to purchaser**

References to a purchaser in this form are to the beneficial owner of the securities.

However, if a trust company, trust corporation, or registered adviser described in paragraph (p) or (q) of the definition of 'accredited investor' in section 1.1 of NI 45-106 has purchased the securities on behalf of a fully managed account, provide information about the trust company, trust corporation or registered adviser only; do not include information about the beneficial owner of the fully managed account.

### **5. References to issuer**

References to 'issuer' in this form include an investment fund issuer and a non-investment fund issuer, unless otherwise specified.

### **6. Investment fund issuers**

If the issuer is an investment fund, complete Items 1-3, 6-8, 10, 11 and Schedule 1 of this form.

### **7. Mortgage investment entities**

If the issuer is a mortgage investment entity, complete all applicable items of this form other than Item 6.

### **8. Language**

The report must be filed in English or in French. In Québec, the issuer or underwriter must comply with linguistic rights and obligations prescribed by Québec law.

### **9. Currency**

All dollar amounts in the report must be in Canadian dollars. If the distribution was made or any compensation was paid in connection with the distribution in a foreign currency, convert the currency to Canadian dollars using the daily noon exchange rate of the Bank of Canada on the distribution date. If the distribution date occurs on a date when the daily noon exchange rate of the Bank of Canada is not available, convert the currency to Canadian dollars using the most recent closing exchange rate of the Bank of Canada available before the distribution date. For investment funds in continuous distribution, convert the currency to Canadian dollars using the average daily noon exchange rate of the Bank of Canada for the distribution period covered by the report.

If the Bank of Canada no longer publishes a daily noon exchange rate and closing exchange rate, convert foreign currency using the daily single indicative exchange rate of the Bank of Canada in the same manner described in each of the three scenarios above.

If the distribution was not made in Canadian dollars, provide the foreign currency in Item 7(a) of the report.

**10. Date of information in report**

Unless otherwise indicated in this form, provide the information as of the distribution end date.

**11. Date of formation**

For the date of formation, provide the date on which the issuer was incorporated, continued or organized (formed). If the issuer resulted from an amalgamation, arrangement, merger or reorganization, provide the date of the most recent amalgamation, arrangement, merger or reorganization.

**f) Summary of the distribution by jurisdiction and exemption**

State the total dollar amount of securities distributed and the number of purchasers for each jurisdiction of Canada and foreign jurisdiction where a purchaser resides and for each exemption relied on in Canada for that distribution. However, if an issuer located outside of Canada completes a distribution in a jurisdiction of Canada, include distributions to purchasers resident in that jurisdiction of Canada only.

This table requires a separate line item for: (i) each jurisdiction where a purchaser resides, (ii) each exemption relied on in the jurisdiction where a purchaser resides, if a purchaser resides in a jurisdiction of Canada, and (iii) each exemption relied on in Canada, if a purchaser resides in a foreign jurisdiction.

For jurisdictions within Canada, state the province or territory, otherwise state the country.

<b>Total dollar amount of securities distributed</b>			
<b>Total number of unique purchasers<sup>2</sup></b>			

<sup>2</sup> In calculating the total number of unique purchasers to which the issuer distributed securities, count each purchaser only once, regardless of whether the issuer distributed multiple types of securities to, and relied on multiple exemptions for, that purchaser.

**g) Net Proceeds to the investment fund by jurisdiction**

If the issuer is an investment fund, provide the net proceeds to the investment fund for each jurisdiction of Canada and foreign jurisdiction where a purchaser resides.<sup>3</sup> If an issuer located outside of Canada completes a distribution in a jurisdiction of Canada, include net proceeds for that jurisdiction of Canada only. For jurisdictions within Canada, state the province or territory, otherwise state the country.
